*Good Things Happen to People You Hate* Rebecca Fishbein, 2019-10-15 For lovers of Sloane Crosley and Samantha Irby, this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts. Former Senior Editor for Gothamist, Rebecca Fishbein's adult life has been a dramatic reflection of New York media itself, constantly evolving in unexpected ways and seemingly always on the edge of disaster. In short, Rebecca has seen it all: from 3 bedbug infestations to being fired to being yelled at while working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans. But the real humor and meat of the collection come from Rebecca's unwavering honesty and unflinching examination of her struggles with alcohol, anxiety, depression, compulsive lying, female beauty standards, and a slew of failed coworker, roommate, friend, semi-relationships. As Jia Tolentino commented, the era of the personal essay ended with the election; this is not your grandmother's millennial essay collection. Rebecca's writing is relatable without being preachy and conveys a message of resilience by example, not by moral. Readers will recognize the world they themselves see: a disastrous president and a scary socioeconomic landscape. In Becca's writing, and find comfort in her humor and a snarky but incisive friend in her writing. **Fancy Meeting You Here** Julie Tieu, 2023-11-07 For the rom-com fans, you can never go wrong with a Julie Tieu book. BuzzFeed Opposites attract when an always-the-bridesmaid florist and a grumpy caterer mix business with pleasure in this swoony romantic comedy in the vein of *27 Dresses* from Julie Tieu, author of *The Donut Trap* and *Circling Back to You*. Every single one of Elise Ngo's close girlfriends, Rebecca, Jesse, and Beth, is getting married within the same few months, and every single one of them has asked her to be both bridesmaid and florist. Though it's a lot for her to juggle the work and exposure is a boon to her struggling flower shop. The stakes are high at Rebecca's high-profile wedding, where the guests are mostly political connections of Rebecca's parents. Desperate for the event to go off without a hitch, Elise enlists the help of an outside caterer who turns out to be Ben Yu, Rebecca's elusive younger brother. Though Ben is prickly and aloof, he offers Elise much-needed business: designing flowers for his mom's campaign fundraisers, and Elise begins to see there's more to Ben than his gruff and handsome exterior. But their romance takes off as the political campaign ramps up, complicating their relationship with unforeseen consequences. Now, always-the-bridesmaid Elise must fight for what she wants to finally get her own happily ever after. *Principles of Economics* Betsey Stevenson, Justin Wolfers, 2026-01-06 *Principles of Economics* by Betsey Stevenson
