Bettada Jeeva

L. S. Seshagiri Rao

Bettada Jeeva :

K. Shivarama Karanth Si. En Rāmacandran,2018 Life and works of Kota Shivarama Karanth 1902 1997 Kannada litterateur Up the Mountains of India Mala Kumar,2022-04-25 How did a whale go up the Himalayas Where would you find a spider shaped like the Sorting Hat in Harry Potter stories On which peaks and slopes can you find both snow and coffee beans sometimes Up which hill is the observatory that helped to sight a super Neptune sized planet Put on your climbing boots to find out hundreds of fascinating facts about our country s best known mountain ranges the Himalayas the Trans Himalayas the Aravallis the Vindhya the Satpuras the North east mountains the Eastern Ghats and the Western Ghats Find out how each range was formed discover the plants trees and wildlife on them and do your bit to save them from getting destroyed Meet amazing communities who live in harmony with nature even now Clap for the scientists who look under rocks and into tree holes for new species of flora and fauna And once you have worked up an appetite the yummy dishes of the hills will fill you right up bamboo biryani anyone From ice stupas and battles in the snow to floating schools and Titanosaurus eggs from wool gatherers and medicine makers to the fastest diving bird and a tiger that could win the Best Dad award this book filled with photos and illustrations will take you on an exciting climb up and down the mountains of India Unheard Sounds Flow On - Translated from the original Tulu novel by T K Ravindran K Mahalinga,2019-01-01 In spite of being one of the oldest members of the Dravidian family of languages Tulu unfortunately has not yet found the recognition that it richly deserves in the modern world Since modernity privileges the written over the spoken the Tulu language that is abundantly blessed with oral literature has been placed on the fringes of modern literary world Ironically Tulu is still engaged in a desperate fight for official status in a country that boasts of its cultural and linguistic diversity The motives behind the translation of Nanajjer Sude Tirgayer hailed as the first modern Tulu novel into English refuse to remain apolitical in this context The novel which has already been translated into Kannada Konkani and Malayalam beautifully captures the pulse of rusticity that characterizes the life of a village community that lived its life with its love hate relationship with nature more than 75 years ago in a Tulu speaking village in the south western part of Karnataka Besides bringing alive the socio cultural practices that find their articulation through the natural linguistic plurality ingrained in the village psyche the novel touches upon the duality of human nature that leaves man perennially condemned to an inner crisis *Ecofeminism and the Indian Novel* Sangita Patil,2019-07-08 Ecofeminism and the Indian Novel tests the theories of ecofeminism against the background of India s often different perceptions of environmental problems challenging the hegemony of Western culture in thinking about human problems This book moves beyond a simple application of the concepts of ecofeminism instead explaining the uniqueness of Indian novels as narratives of ecofeminism and how they can contribute to the development of the theory of ecofeminism In examining a selection of novels the author argues that Indian texts conceptualize the ecological crisis more as a human problem than as a gender problem The book proposes that we should think of ecofeminism as ecohumanism

instead seeing human beings and nature as a part of a complex web. Novels analysed within the text include Kamala Markandaya's *Nectar in a Sieve* 1954, Shivram Karanth's *Return to Earth* 2002 and Na D Souza's *Dweepa* 2013. Ecofeminism and the Indian Novel will be of great interest to students and scholars of ecofeminism, ecocriticism, ecological feminism, environmental humanities, gender studies, ecological humanities, feminist studies and Indian literature.
