Translator Nicolle Raven PUBLISHER TEKTIME **Artificial Intelligence Is Here to Stay, You Better Learn It Now!** Patience Fuzane, Artificial Intelligence AI is no longer just a futuristic concept it is here and it is transforming the way we live work and interact If you are not actively harnessing the power of AI you risk being left behind in an increasingly competitive and fast paced world Just like the calculator revolutionized the way we perform basic arithmetic AI is now stepping in to revolutionize a wide array of fields academic business and social When the calculator was first introduced many feared it would take away jobs and diminish mental faculties But over time we have come to view it as an indispensable tool one that saves us time and allows us to focus on more complex tasks In much the same way AI is poised to become an essential part of our daily lives yet its potential goes far beyond what a calculator ever offered From automating mundane tasks to solving complex problems AI has the power to revolutionize virtually every aspect of our existence As we move forward it is crucial to embrace these technological advancements and learn how to effectively incorporate them into our routines This book is a comprehensive guide to understanding and utilizing some of the most widely used AI tools available today Across the following chapters I will take you on a deep dive into AI solutions across various categories including generative AI productivity tools coding assistants design tools data analysis and more Whether you re a student a business owner or simply someone curious about how AI can improve your life this book is designed to help you navigate and leverage these powerful technologies to meet your academic professional and social needs **GIRLS®** Freya India,2026-02-26

Anyone who cares about the girls and young women in their lives should read GIRLS Jonathan Haidt author of The Anxious Generation G IRLS Gen Z and the Commodification of Everything is a passionate provocative and deeply personal journey into the pressures shaping young lives today Freya India shows that age old anxieties of girlhood are now being amplified by modern life and exploited like never before While previous generations of women were relentlessly sold products and procedures we have become the product We display our lives on Instagram advertise ourselves on dating apps and package ourselves into personal brands making anxiety feel overwhelming and unmanageable We have transformed from girls into GIRLS from people into products Each chapter of GIRLS focuses on a common anxiety in adolescent girls lives from insecurities about our faces and bodies to our reputation and social status to our friendships and romantic relationships Along the way India traces how rapidly culture and technology have evolved over the past decade This isn t just a book for

girls For young women it offers a nostalgic if unsettling reflection on the world they've grown up in and reassurance that they're not alone in their struggles For younger girls it provides context for where these challenges began and warns where they might be headed And for parents teachers and older generations it serves as a reminder that these issues have never been so intense GIRLS concludes with a message of hope reminding readers how to reclaim their privacy defend their dignity and above all return to being people instead of products
