*dear elia* Mimi Khúc,2023-12-11 In *dear elia* Mimi Khúc revolutionizes how we understand mental health Khúc traces the contemporary Asian American mental health crisis from the university into the maw of the COVID 19 pandemic reenvisioning mental health through a pedagogy of unwellness the recognition that we are all differentially unwell In an intimate series of letters she bears witness to Asian American unwellness up close and invites readers to recognize in it the shapes and sources of their own unwellness Khúc draws linkages between student experience the Asian immigrant family the adjunctification of the university and teaching methods pre and post COVID 19 to illuminate hidden roots of our collective unwellness shared investments in compulsory wellness and meritocracy She reveals the university as a central node and engine of unwellness and argues that we can no longer do Asian American studies without Asian American mental health and vice versa

Interspersed throughout the book are reflective activities including original tarot cards that enact the very pedagogy Khúc advances offering readers alternative ways of being that divest from structures of unwellness and open new possibilities for collective care

Rosa Kane,2025-08-17 Isabella Monte is distraught when her family loses everything Determined not to lose her parents she swore on her father's hospital bed to get back all they had lost However her father told her that it was futile as their suffering was caused by Angelo Flores the wealthiest bachelor in Panama Angelo would stop at nothing to completely get rid

of the Monte s as he blames them for the death of his parents and sister W hile at the hospital with her father Isabella is visited by none other than Angelo and a deal is placed before her Marry me and I will let your family go Against her father s will Isabella agrees to Angelo s demands Her hatred for him is stronger than ever as she vows to make him pay for her family s suffering But what happens when Isabella finds herself falling for the enemy WARNING MATURE CONTENT *The Fashion Orphans* Randy Susan Meyers,M.J. Rose,2022-02-01 Two estranged sisters find that forgiveness never goes out of style when they inherit their mother s vintage jackets purses and pearls of wisdom Estranged half sisters Gabrielle Winslow and Lulu Quattro have only two things in common mounds of debt and coils of unresolved enmity toward Bette Bradford their controlling and imperious recently deceased mother Gabrielle the firstborn was raised in relative luxury on Manhattan s rarefied Upper East Side Now at fifty five her life as a Broadway costume designer married to a heralded Broadway producer has exploded in divorce Lulu who spent half her childhood under the tutelage of her working class Brooklyn grandparents is a grieving widow at forty eight With her two sons grown her life feels reduced to her work at the Ditmas Park bakery owned by her late husband s family The two sisters arrive for the reading of their mother s will expecting to divide a sizable inheritance pay off their debts and then again turn their backs on each other But to their shock what they have been left is their mother s secret walk in closet jammed with high end current and vintage designer clothes and accessories most from Chanel Contemplating the scale of their mother s self indulgence the sisters can t help but wonder if Lauren Weisberger had it wrong because it seems in fact that the devil wore Chanel But as they begin to explore their mother s collection meet and fall in love with her group of warm wonderful friends and magically find inspiring messages tucked away in her treasures it seems as though their mother is advising Lulu and Gabrielle from the beyond helping them rediscover themselves and restore their relationship with each other Discussion Materials Bill Keenan,2020-03-31 Why aren t you using LTM EBITDA for credit metrics asked the managing director who sat across from me his widow s peak clearly visible as he inspected the sheet in front of him His spacious office looked out onto New York Harbor Bust said the vice president who was a slightly younger douchier version of Widow s Peak He slashed his red ballpoint pen across the sheet and flipped to the next page Walk me through the debt paydown and your interest rate assumptions continued the VP Pretty dovish view Maybe the Fed knows what they re doing after all said Widow s Peak He shot a glance at the VP They shared a chuckle at what I couldn t tell you This question about interest rates I knew Dovish I thought Doves fly south for the winter so dovish is downwards low interest rates We re running short on time said Widow s Peak He flipped to the cover page of my presentation One final point all pitch decks should have the same title Since this presentation was geared towards an LBO analysis I was thinking No thinking All decks same title Discussion Materials Noted Discussion Materials gives the reader an honest look at Wall Street from someone in the trenches After graduating from Columbia Business School Bill Keenan joined Deutsche Bank s investment banking division as an associate where despotic superiors and the blinking red light of his BlackBerry instilled

low level terror on an hourly basis You ll join him in his cubicle on the 44th floor of 60 Wall Street as he scrambles to ensure floating bar charts are the correct shade of orange and all numbers are left aligned but whatever you do don t ask him what any of it means Leaning heavily on his fellow junior bankers and the countless outsourcing resources the bank employs he slowly develops proficiency at the job eventually gaining traction and respect one deal at a time over a two year span ultimately cementing his legacy in the group by attaining the unattainable placing a dinner order on Seamless one Sunday night at work from Hwa Yuan Szechuan amounting to 25 00 tax and tip included the bank s maximum allowance for meals the perfect order
