Barbieri-Low,2022-08-09 Tyrant or national hero An interdisciplinary exploration of China s First Emperor Ying Zheng founder of the Qin empire is recognized as a pivotal figure in world history alongside other notable conquerors such as Alexander the Great Genghis Khan and Julius Caesar His accomplishments include conquest of the warring states of ancient China creation of an imperial system that endured for two millennia and unification of Chinese culture through the promotion of a single writing system Only one biased historical account written a century after his death in 210 BCE narrates his biography Recently however archaeologists have revealed the lavish pits associated with his tomb and documents that demonstrate how his dynasty functioned Debates about the First Emperor have raged since shortly after his demise making him an ideological slate upon which politicians revolutionaries poets painters archaeologists and movie directors have written their own biases fears and fantasies This book is neither a standard biography nor a dynastic history Rather it looks historically at interpretations of the First Emperor in history literature archaeology and popular culture as a way to

understand the interpreters as much as the subject of their interpretation     *Buildings and Structures of American Railroads* Walter Gilman Berg,1893     **Marketing to Moviegoers** Robert Marich,2005 The author goes right to the source and provides data quotes and insights from high profile industry professionals and information on market research that the major studios don t want the moviegoing public to know This book provides practical data such as templates for advertising campaigns of different sizes solutions and an insight into the complicated movie marketing process Armed with the strategies that Hollywood professionals would prefer not to share film professionals and marketing professionals alike will have a leg up in this complicated business     Cases Argued and Decided in the Supreme Court of the United States United States. Supreme Court,1928 First series books 1 43 includes Notes on U S reports by Walter Malins Rose     *Railway World* ,1910  
    *Reinventing Richard Nixon* Daniel E. Frick,2008 Examining Nixon s autobiographies and political memorabilia Frick offers far reaching perceptions not only of the man but of Nixon s version of himself contrasted with those who would interpret him differently He cites reinventions of Nixon from the late 1980s particularly the museum at the Richard Nixon Library and Birthplace to demonstrate the resilience of certain national mythic narratives in the face of liberal critiques And he recounts how celebrants at Nixon s state funeral at which Bob Dole s eulogy depicted a God fearing American hero attempted to bury the sources of our divisions over him rendering in some minds the judgment of redeemed statesman to erase his status as disgraced president With dozens of illustrations Nixon posing with Elvis the National Archives most requested photo Nixonian cultural artifacts classic editorial cartoons no other book collects in one place such varied images of Nixon from so many diverse media These reinforce Frick s probing analysis to help us understand why we disagree about Nixon and why it matters how we resolve our disagreements BOOK JACKET     United States Tobacco Journal ,1923
