Closely Observed Trains:

Closely Watched Trains Bohumil Hrabal, 1995 Hrabal's postwar classic about a young man's coming of age in German occupied Czechoslovakia is among his most beloved and accessible works *Closely Watched Trains* is the subtle and poetic portrait of Milos Hrma a timid young railroad apprentice who insulates himself with fantasy against a reality filled with cruelty and grief Day after day as he watches trains fly by he torments himself with the suspicion that he himself is being watched and with fears of impotency Hrma finally affirms his manhood and with a sense of peace and purpose he has never known before heroically confronts a trainload of Nazis

Closely Observed Trains Bohumil Hrabal, Jiří Menzel, 1971
Avant-garde to New Wave Jonathan L. Owen, 2013-02-01 The cultural liberalization of communist Czechoslovakia in the 1960s produced many artistic accomplishments not least the celebrated films of the Czech New Wave This movement saw filmmakers use their new freedom to engage with traditions of the avant garde especially Surrealism This book explores the avant garde's influence over the New Wave and considers the political implications of that influence The close analysis of selected films ranging from the Oscar winning *Closely Observed Trains* to the aesthetically challenging *Daisies* is contextualized by an account of the Czech avant garde and a discussion of the films immediate cultural and political background

Closely Observed Trains Bohumil Hrabal, 1990 For gauche young apprentice Milos Hrma life at the small but strategic railway station in Bohemia in 1945 is full of complex preoccupations There is the exacting business of dispatching German troop trains to and from the toppling Eastern front the problem of ridding himself of his burdensome innocence and the awesome scandal of Dispatcher Hubicka's gross misuse of the station's official stamps upon the telegraphist's anatomy Beside these Milos's part in the plan for the ammunition train seems a simple affair CLOSELY OBSERVED TRAINS which became the award winning Jiri Menzel film of the Prague Spring is a classic of postwar literature a small masterpiece of humour humanity and heroism which fully justifies Hrabal's reputation as one of the best Czech writers of today

Pirouettes on a Postage Stamp Bohumil Hrabal, 2008-01-01 The book is a novel interview initiated by the Hungarian journalist writer and anti communist activist based in Slovakia L szl Szigeti It retains the character of a more or less verbatim oral record it is full of false starts and thematic and syntactic digressions characteristic for the majority of Hrabal's magical bizarre and grotesque tales It is unique for being autobiographical and for making the reader understand Hrabal's personality his philosophy and perception and understanding of Central Europe shortly before the fall of totalitarian regime in the late 80s

The Routledge Encyclopedia of Films Sabine Haenni, Sarah Barrow, John White, 2014-09-15 The Routledge Encyclopedia of Films comprises 200 essays by leading film scholars analysing the most important influential innovative and interesting films of all time Arranged alphabetically each entry explores why each film is significant for those who study film and explores the social historical and political contexts in which the film was produced Ranging from Hollywood classics to international bestsellers to lesser known representations of national cinema this collection is

deliberately broad in scope crossing decades boundaries and genres The encyclopedia thus provides an introduction to the historical range and scope of cinema produced throughout the world **The Cinema of Central Europe** Peter Hames,2004
