## **Code Of Canon Law:**

*An Introduction to Canon Law* James A. Coriden, 1991 This new edition of *An Introduction to Canon Law* has been updated to reflect changes and adaptations in canon law as well as to uncover new resources in the field It offers an introductory orientation to all of canon law it outlines and overviews the various specialized areas of the law and it sketches the structure and function of the offices within the church and how they relate to one another The book gives historical perspectives and focuses on the rights and duties of Catholics in the church **BOOK JACKET** [New Commentary on the Code of Canon Law](#) John P. Beal, James A. Coriden, Thomas Joseph Green, 2000 A complete and updated commentary on the Code of Canon Law prepared by the leading canonists of North America and Europe Contains the full newly translated text of the Code itself as well as detailed commentaries by thirty six scholars commissioned by the Canon Law Society of America

**Canon Law Explained** Fr. Laurence J. Spiteri ,2014-02-25 Not only inefficiency but frustration disorder anger and injustice threaten all human endeavors no matter how pure their motives or high their ideals That s why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies how conflicts are to be resolved and above all how each organization s mission is and is not to be accomplished Is it any wonder then that the Catholic Church comprised not of 200 persons but 1 2 billion members in 200 countries also governs itself by means of a handbook which it calls the Code of Canon Law Because handbooks and manuals concern themselves with the day to day inner working of organizations they often reveal more than do news releases about the actual purposes and genuine spirit of organizations a fact that s particularly true in the case of the Catholic Church Indeed if you want to know the Church for who She is you need to be familiar with the Code of Canon Law Unfortunately it contains over 1 752 rules or canons Among them you ll find fascinating canons that lay out the Church s official principles and procedures governing matters as various as abbots and annulments scandals and Sacraments monks and missions bishops and books priests and popes synods and sacraments homeschoolers hostile witnesses baptisms burials parishes penance confessions Councils impotence imprimaturs and even marriages to the person who murdered your spouse Thankfully Vatican expert and veteran author Fr Laurence Spiteri has in the pages of *Canon Law Explained* relieved you of the need to read all 1 752 of them fascinating or not Here he acquaints you with the fundamental canons by which the Church seeks to bring about as it declares in the very last canon the purpose all of them serve The salvation of souls which must always be the supreme law in the Church Fr Spiteri s brief but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non Catholics about our Church and that sometimes frustrates even us Catholics As he relates the Church s laws and procedures directly to Christ s command to go forth and teach all nations and to the role those laws and procedures play in your salvation and mine Fr Spiteri transforms what seem to be dry as dust rules into the sweet waters of salvation If you want to know the Church for who She is and to love Her more *Canon Law Explained* is the book for you **The Code of Canon Law** Catholic

Church, Canadian Canon Law Society, 1997      **The Code of Canon Law** James A. Coriden, Thomas Joseph Green, Donald E. Heintschel, 1985 Includes Index      **Code of Canon Law, Latin-English Edition** Catholic Church, 1983 Fourth printing 1995 T p verso Includes index      *A Passion for Justice* G. J. Woodall, 2011-02-22 For many the law of the Church canon law has little meaning it appears remote both from the Gospel and from the life of most people in the Church Yet it can impinge on them at times if a parish priest urges that a baptism be deferred where a dispensation is needed for marriage or where there is a query about nullity of marriage Recently the scandals over clerical sexual abuse of children have drawn wider attention to the need for law also in the Church At a time when it is popular to assert rights of all sorts an identification of authentic rights and of corresponding duties in the Church as well as mechanisms to ensure that these are respected in practice in a systematic way justice and law in the Church cannot be neglected This book seeks to root the Church's law in the values of the Gospel in particular in the justice which should guide the lives of those called to follow Christ and in the baptism by which they are incorporated into him and into his Church The canon or measure of how we should treat one another as members of the People of God and participate in our common mission in the service of that Gospel according to our particular vocations and functions is the focus of canon law No law can replace the Gospel or the Holy Spirit but canon law is an instrument of justice in the service of the Church and of its mission The revision of canon law which led to the Code of Canon Law of 1983 for the Latin Church sought expressly to reflect the key teachings of the Second Vatican Council That Code beyond the general norms for understanding and applying its laws as a whole centres upon the People of God in our common diverse and complementary forms of living the Gospel upon the Church's broad teaching function and upon its sanctifying function especially through the sacraments It attends also to the temporal goods of the Church for which there are responsibilities of stewardship to penal law and sanctions and to procedural law the latter designed to ensure that practical implementation of the Church's law which is essential if its affirmations concerning justice and mission are not to remain vacuous This book attempts to provide a theological and juridical introduction and explanation of these various aspects of the Church's life The schematic presentation of key canons is designed to enable the reader to understand the principal elements of a specific section and to see how those canons can be broken down so that their inter-related parts may be read analysed and applied The Code of Canon Law then can be seen as a valuable instrument in fulfilling the Church's mission for those with a passion for justice rooted in the Gospel of Christ      **The Code of Canon Law** Catholic Church, Canon Law Society of Great Britain and Ireland, 1983 THE book of laws canons governing the Catholic church and Catholics      *The New Canon Law* Stanislaus Woywod, 1918      **The Canon Law Letter and Spirit** Gerard Sheehy, Canon Law Society of Great Britain and Ireland, 1999 The 1983 Code of Canon Law has been described by Pope John Paul II as the final document of the Second Vatican Council In this the Holy Father was encapsulating precisely what this Code is a revision of the earlier 1917 Code which takes into account the doctrinal pastoral and practical teachings of the Council while at the

same time retaining as did the Council the age old law and tradition of the Church     The Code of Canon Law Catholic Church,1933     **The Code of Canon Law, in English Translation** Catholic Church,Canon Law Society of Great Britain and Ireland,Canon Law Society of Australia and New Zealand,Canadian Canon Law Society,1983 THE book of laws canons governing the Catholic church and Catholics     **A Practical Commentary on the Code of Canon Law** Stanislaus Woywod,1957     Code of Canon Law, Latin-English Edition Catholic Church,1999 Ships from multiple locations     The New Canon Law Stanislaus Woywod,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy     A Commentary on the New Code of the Canon Law Charles Augustine (Rev.
