Rourke,1992 Taking Sides Clashing Views on Controversial Issues in World Politics Twelfth Edition is a debatestyle reader designed to introduce students to controversies in world politics The readings which represent the arguments of world leaders leading political scientists and commentators on the world political scene reflect a variety of viewpoints and have

been selected for their liveliness and substance and because of their value in a debate framework For each issue the editor provides a concise introduction and postscript summary The introduction sets the stage for the debate as it is argued in the yes and no readings The postscript briefly reviews the opposing views and suggests additional readings on the controversial issue under discussion By requiring students to analyze opposing viewpoints and reach considered judgments Taking Sides actively develops students critical thinking skills It is this development of critical thinking skills that is the ultimate purpose of each of the volumes in the widely acclaimed Taking Sides program Book jacket National Employment System United States.
