

APUSH Study Guide: Period 8 (1945-1980)

Focus: The United States became a superpower after WWII, and this new status led to changing political and economic responsibilities at home and abroad and a changing social climate on the home front. Topics covered include the Cold War and its impact on domestic and foreign affairs, causes of conflict in the middle east, the civil rights movement, and the rapid economic, demographic and technological changes that lead to significant political and moral debates.

Key Themes and Essential Questions

1. Global Leadership and the Cold War – How did the U.S. assert itself globally?
2. The Age of Liberalism- How did the U.S. address persistent problems with Civil Rights and poverty throughout this time period?
3. Mass Consumption and the Middle Class- How did postwar demographic, technological, and economic changes impact American values?

Directions: Please complete all parts of the study guide before you submit it. This document is a supplement to your reading notes and other activities and assignments we do in class and is meant as a place for you to practice many of the skills we learn throughout the historical period. Use the links provided to get more information about a given section.
