## **Aging And The Life Course 6th Edition:**

**Aging, Society, and the Life Course** Leslie A. Morgan, Suzanne R. Kunkel, 2011-03-15 Doody's Score 91 4 Stars This book's unfading preoccupation with social context, social processes, and social structures distinguishes itself and greatly contributes to the discourse in gerontology. *The Gerontologist* This is a comprehensive textbook for both undergraduate and graduate level courses detailing the impact of societal forces on the aging process. The book focuses on the diversity of the older population, examining it from micro-macro perspectives in order to understand aging and the life course as social phenomena. This latest edition examines significant changes in the field of social gerontology, such as the paradigms of aging and the life course, the baby boomer cohorts as they approach retirement and later life, the growing interest in global aging and civic engagement. This text encourages students to examine aging from personal, familial, community, societal, and global perspectives, including both the positive and negative realities of aging. Key Features: Provides websites of interest at the end of each chapter; Presents provocative essays on love, sex, music, medicine, and crime to further expand on chapter contents; Provides review questions and key terms as study guides at the end of each chapter.

**Aging, Society, and the Life Course, Sixth Edition** Suzanne R. Kunkel, Richard Settersten, 2021-05-07 Newly revised and updated, this classic text examines the impact of social forces on the aging process. It considers aging from personal, family, community, societal, and global perspectives. The sixth edition reflects significant changes in the field of social gerontology. It delves deeply into the life course paradigm to demonstrate how aging experiences are shaped by individuals' pasts and by a sweeping range of social factors. It uses a diversity, equity, and inclusion lens to underscore how social and economic advantages and disadvantages can accumulate with aging. Chapters reflect the richness and complexity of family life, work, and retirement, health, and community engagement. The book addresses landmark changes in laws and policies and highlights innovative developments to enhance the independence of elders. It emphasizes what an aging society means for people of all ages and generations and the causes and consequences of pervasive ageism. Provocative essays explore contemporary ethical, legal, and social issues. Especially written for courses in social gerontology and sociology of aging, the book is also valuable for curricula in social work, allied health, and the ever-growing range of disciplines and professions that are affected by individual and population aging. The sixth edition offers several new features to enhance the teaching and learning experiences, including Stop and Think boxes to foster curiosity, critical thinking, and personal connections to the ideas; bullet point summaries to reinforce chapter takeaways; and an updated and expanded Instructor's Manual. Purchase includes digital access for use on most mobile devices or computers. New to the Sixth Edition: Draws attention to the influence of the life course on aging; Discusses how aging impacts people of all ages and generations; Explores what the changing behaviors and attitudes of younger cohorts might mean for the future of aging; Leverages a diversity, equity, and inclusion lens to understand variability and inequality in aging; Provides updated knowledge about family life, work, and retirement, health, community engagement, and ageism; Highlights landmark

changes in laws and policies that affect aging such as evolving health care policies and laws related to intergenerational obligations Describes innovative models and interventions to enhance the independence and integration of elders in their communities Incorporates new content and provocative essays on contemporary ethical legal and social issues Key Features Presents information in straightforward engaging prose that seamlessly integrates bodies of evidence Highlights how aging is often a shared experience resulting from interactions with a complex set of social forces Demonstrates how the aging of individuals and entire generations occurs within layers of social context Probes causes of variability and inequality in aging across social categories Reveals the presence and consequences of ageism for individuals and societies Looks in depth at aging in America with an eye to a global context Introduces and applies contemporary theories of aging to specific topics to demonstrate their utility for aging science and practice

*Handbook of Theories of Aging* Merrill Silverstein, Vern L. Bengtson, Vern L. Bengtson, PhD, Norella Putney, Daphna Gans, 2008-10-27 The field of gerontology has often been criticized for being data rich but theory poor The editors of this book address this issue by stressing the importance of theory in gerontology While the previous edition focused on multidisciplinary approaches to aging theory this new edition provides cross disciplinary integrative explanations of aging theory The contributors of this text have reached beyond traditional disciplinary boundaries to partner with researchers in adjacent fields in studying aging and age related phenomena This edition of the Handbook consists of 39 chapters written by 67 internationally recognized experts in the field of aging It is organized in seven sections reflecting the major theoretical developments in gerontology over the past 10 years Special Features Comprehensive coverage of aging theory focusing on the biological psychological and social aspects of aging A section dedicated to discussing how aging theory informs public policy A concluding chapter summarizing the major themes

of aging and offering predictions about the future of theory development Required reading for graduate students and post doctoral fellows this textbook represents the current status of theoretical development in the study of aging

**Diversity and Aging Among Immigrant Seniors in Canada** Douglas Durst, Michael MacLean, 2010-01-01 Historically Canada has been a nation of immigrants with 16.20% of its citizens being foreign born Most immigrant research addresses the issues of integration and adjustment of young and adult immigrants with little work on aging There are numerous books on immigrants and books on aging but there are few that have considered the topics of both diversity and aging Diversity and Aging among Immigrant Seniors in Canada breaks from that tradition and offers an eclectic collection of original research from among Canada's leading researchers on aging and immigrants Some researchers refer to this emerging field as Ethno gerontology There are two interesting groups of immigrant seniors those who entered Canada at over 65 years of age and those who aged in Canada Most Canadians are surprised to learn that the senior population of seniors has a higher percentage of immigrants 19.6% than the general population 13.7% As Canadians age the country's composition of immigrant seniors has also changed from mainly European to greater cultural and ethnic diversity from Africa and Asia This cultural and ethnic diversity has social health economic policy implications and impacts on programs and services delivered to seniors Diversity and Aging among Immigrant Seniors in Canada is divided into two main sections In Part 1 the chapters explore general and universal issues such as national trends and demographics theoretical orientations issues of culture and legal dimensions poverty and income and end of life care In Part 2 the chapters examine issues pertaining to specific ethnic groups For example there are chapters on the social well being of Chinese immigrants determinants of mental health for Iranian seniors family dynamics for aging Haitian elders and emerging issues for Punjabi families Diversity and Aging among Immigrant Seniors in Canada offers both breadth and depth to the topic of aging among immigrants and is a must read for social work and health care professionals students in health and social services policy and program planners and families of aging immigrants It is written in a language that crosses disciplines shedding professional jargon making it an informative and engaging read for professionals researchers and the general public

*Handbook of Sociology of Aging* Richard A. Settersten, Jr., Jacqueline L. Angel, 2011-05-11 The Handbook of Sociology of Aging is the most comprehensive engaging and up to date treatment of developments within the field over the past 30 years The volume represents an indispensable source of the freshest and highest standard scholarship for scholars policy makers and aging professionals alike The Handbook of Sociology of Aging contains 45 far reaching chapters authored by nearly 80 of the most renowned experts on the most pressing topics related to aging today With its recurring attention to the social forces that shape human aging and the social consequences and policy implications of it the contents will be of interest to everyone who cares about what aging means for individuals families and societies The chapters of the Handbook of Sociology of Aging illustrate the field's extraordinary breadth and depth which has never before been represented in a single volume Its contributions address topics that range

from foundational matters such as classic and contemporary theories and methods to topics of longstanding and emergent interest such as social diversity and inequalities social relationships social institutions economies and governments social vulnerabilities public health and care arrangements The volume closes with a set of personal essays by senior scholars who share their experiences and hopes for the field and an essay by the editors that provides a roadmap for the decade ahead The Handbook of Sociology of Aging showcases the very best that sociology has to offer the study of human aging
