Anderson Max Levchin Reid Hoffman and many others whose stories have never been shared Today PayPal s founders and earliest employees are considered the technology industry s most powerful network Since leaving PayPal they have formed funded and advised the leading companies of our era including Tesla Facebook YouTube SpaceX Yelp Palantir and LinkedIn among many others As a group they have driven twenty first century innovation and entrepreneurship Their names stir passions they re as controversial as they are admired Yet for all their influence the story of where they first started has gone largely untold Before igniting the commercial space race or jumpstarting social media s rise they were the unknown creators of a scrappy online payments start up called PayPal In building what became one of the world s foremost companies they faced bruising competition internal strife the emergence of widespread online fraud and the devastating dot com bust of the 2000s Their success was anything but certain In *The Founders The Story of PayPal and the Entrepreneurs Who Shaped Silicon Valley* award winning author and biographer Jimmy Soni explores PayPal s turbulent early days With hundreds of interviews and unprecedented access to thousands of pages of internal material he shows how the seeds of so much of what shapes our world today fast scaling digital start ups cashless currency concepts mobile money transfer were planted two decades ago He also reveals the stories of countless individuals who were left out of the front page features and banner headlines but who were central to PayPal s success Described as an intensely magnetic chronicle *The New York Times* and engrossing *Business Insider* *The Founders* is a story of iteration and inventiveness the products of which have cast a long and powerful shadow over modern life This narrative illustrates how this rare assemblage of talent came to work together and how their collaboration changed our world forever *Best of the Internet* Joe Kraynak,2004 A mini guide for finding the best information on the Internet fast and conveniently All sites are identified either as Kid Friendly or Adults Only plus there is a section in this edition on the wireless Web *The Man Who Broke Capitalism* David Gelles,2022-05-31 *New York Times* Bestseller *New York Times* reporter and *Corner Office* columnist David Gelles reveals legendary GE CEO Jack Welch to be the root of all that s wrong with capitalism today and offers advice on how we might right those wrongs In 1981 Jack Welch took over General Electric and quickly rose to fame as the first celebrity CEO He golfed with presidents mingled with movie stars and was idolized for growing GE into the most valuable company in the world But Welch s achievements didn t stem from some greater intelligence or business prowess Rather they were the result of a sustained effort to push GE s stock price ever higher often at the expense of workers consumers and innovation In this captivating revelatory book David Gelles argues that Welch single handedly ushered in a new cutthroat era of American capitalism that continues to this day Gelles chronicles Welch s campaign to vaporize hundreds of thousands of jobs in a bid to boost profits eviscerating the country s manufacturing base and destabilizing the middle class Welch s obsession with downsizing he eliminated 10% of employees every year fundamentally altered GE and inspired generations of imitators who have employed his strategies at other companies around the globe In his day Welch was corporate America s leading proponent of mergers and acquisitions using

deals to gobble up competitors and giving rise to an economy that is more concentrated and less dynamic And Welch pioneered the dark arts of financialization transforming GE from an admired industrial manufacturer into what was effectively an unregulated bank The finance business was hugely profitable in the short term and helped Welch keep GE s stock price ticking up But ultimately financialization undermined GE and dozens of other Fortune 500 companies Gelles shows how Welch s celebrated emphasis on increasing shareholder value by any means necessary layoffs outsourcing offshoring acquisitions and buybacks to name but a few tactics became the norm in American business generally He demonstrates how that approach has led to the greatest socioeconomic inequality since the Great Depression and harmed many of the very companies that have embraced it And he shows how a generation of Welch acolytes radically transformed companies like Boeing Home Depot Kraft Heinz and more Finally Gelles chronicles the change that is now afoot in corporate America highlighting companies and leaders who have abandoned Welchism and are proving that it is still possible to excel in the business world without destroying livelihoods gutting communities and spurning regulation *The Economist* ,2005

*Webcomics* Steven Withrow,John Barber,2005 This instructive guide to an exciting new art medium was written for the cartoonist who knows a lot about drawing color and design but doesn t know how to apply his talents to computer technology Webcomics shows artists how to get into the fast growing field of online comics Created digitally and distributed on the Internet some for free others on subscription webcomics range in style from traditional looking cartoon strips to innovative works that often integrate imagery from photography video and other visual arts This book offers detailed advice on how to design create and publish online comics It also showcases the best webcomics work being produced today Interviews with leading artists walk readers through all the essential steps in the various creative processes starting with a story idea and developing it into a finished graphic narrative More than 400 full color illustrations diagrams and examples of webcomics works **Forbes** ,2000 *Teach Yourself VISUALLY iMac* Guy Hart-Davis,Hart-Davis,2011-11 Learn how to tackle more than 165 iMac tasks Each task based spread covers a single technique sure to help you get up and running on your iMac in no time
