Edge of Dawn Lara Adrian, 2013-02-26 NEW YORK TIMES BESTSELLER In this pulse pounding and thrillingly sensual novel Lara Adrian returns to the mesmerizing world of the Midnight Breed following new characters into a dark future where an uneasy peace can unravel into war and a great betrayal can mask an all consuming love Twenty years after the terror of First Dawn when mankind learned that vampires lived secretly among them the threat of violence reigns as the two species struggle to coexist The only group preserving the fragile harmony is the Order an elite cadre of Breed warriors dedicated to protecting humans and vampires alike And in this precarious world of torn loyalties and shattered trust Mira a fiery squad captain finds that every fight bears an intensely personal cost Raised among the Order Mira has always believed in the warrior s code of swift and even lethal justice But the one thing she desires more than the Order s hard won acceptance is Kellan Archer a sexy but troubled Breed fighter In love with him since childhood Mira once broke through his tough exterior during an unexpected night of rapture but the next day he mysteriously disappeared never to return Kellan didn t think he would ever see Mira again or have to confront the truth of why he left After abandoning the Order years ago he now leads a band of human rebels intent on carrying out their own vigilante rule of law Yet a high profile kidnapping assignment brings him face to face with the past he sought to avoid and the striking woman he has tried desperately to forget And as tensions mount and the risk of bloodshed grows Kellan and Mira must take sides between the competing missions that dominate their lives and the electrifying passion that claims their hearts **BONUS** This edition includes an excerpt from Lara Adrian s *Crave the Night* Praise for *Edge of Dawn* With an Adrian novel readers are assured of plenty of dangerous thrills and passionate chills RT Book Reviews The eleventh installment in Adrian s strikingly original *Midnight Breed* series delivers an abundance of nail biting suspenseful chills red hot sexy thrills an intricately built world and realistically complicated and conflicted protagonists whose happily ever after ending proves to be all the sweeter after what they endure to get there Booklist starred review Adrian has always been an impeccable writer but as I started reading this book I was reminded of just how amazing and talented she is She paints a vivid picture for every scene delves deeper into each character until readers know everything about them and writes some of the best action sequences I ve encountered in a long time Make no mistake Lara Adrian is one of the premier authors of paranormal romance and with this book she proves it *Edge of Dawn* is a game changer a book that will revolutionize the way readers see the *Midnight Breed* world and stir up some excitement Filled with angst tortured hearts above all selfless love *Edge of Dawn* will break your hearts and mend them back up again Fresh Fiction A spine tingling thrill ride for both old and new fans alike *Edge of Dawn* is one of the few stories that deserve more than a five star rating Night Owl Reviews Well worth waiting for Adrian once again engulfs her readers in a world of Breed loyalty fierce passion and emotional overload The complexity of the plot will leave you stunned to say the least and in my case left wondering what will happen next I guarantee you will be begging for more *Guilty Pleasures* Book Reviews **Crash Course**

The Money Compass Mark Grimaldi, Stevenson G. Smith, 2013-12-17 Between the ongoing recession the collapse of the housing market and the crumbling of the middle class many Americans are left wondering what happened to the American Dream They're also wondering what happened to their money For millions of people just making ends meet is challenging enough So when it comes to saving and investing it seems like the deck is stacked against you The bad news is that you're right If the economy were a card game the dealer would hold all the aces But the good news is that you don't have to play by the house rules Renowned for his unvarnished insight on finance and investing money manager Mark Grimaldi has a reputation for telling it like it is He doesn't sugarcoat the negative and he doesn't have time for the financial industry hype that leads to bad investing decisions Here's the truth the economy is in bad shape but that doesn't mean you can't save responsibly invest profitably and retire comfortably In *The Money Compass* Grimaldi teams up with accounting professor G Stevenson Smith to offer a wealth of smart investing advice for today's investor This plain English guide to good investing presents practical strategies and actionable advice for safely navigating today's financial markets It shows you how to manage credit and debt responsibly how to use the tax code to your advantage which kinds of trendy investing advice you should ignore and where to put your money for solid returns In addition the authors explore the hard macroeconomic realities that explain how we got here and where we're going next They look at the primary causes and consequences of the recession the housing crash the slow collapse of government programs long term unemployment and how it all impacts you and your money Plus Grimaldi and Stevenson forecast the next big economic shock and show you how to profit from it The economic game is rigged to keep you poor and keep Wall Street rich So it's time to write your own rules Whether you're white collar blue collar or somewhere in between *The Money Compass* gives you the commonsense guidance you need to chart a course to a comfortable financial future even in the roughest economic waters
