The Basics of Running a Business Malik Jordan,2020-03-28 Do not buy this book if you re low on money and or struggling financially I do not want this book to be the reason you are short on rent unable to afford to make a car payment etc I m not picking on you I m just looking out for you because I know what it is like to not have much money coming in and I don t want you to strain yourself financially in order for you to be able to buy this book If you re doing okay financially then please disregard what you just read earlier and continue reading from here Business needs to be run in a very organized manner Just like any other job that you do in the public or private sector you are supposed to be very organized in what you choose to do in order to build a reputation and more than that you need to become a professional for future career growth In the case of business the strategy is the same You have to be very serious about it from day one and you should pick and choose only things that are going in favor of your business Right from the start there should be certain things very much clear in your mind You have to follow them in a stepwise manner in order to develop and grow your business to the next level This is mainly about the various steps that you have to take in order to run your business These are all basic steps that start right from making the business plan then team hiring marketing and advertisement and then a lot of sincerity that you need to put in the business These tips will help you give your business a strong foundation and with this foundation it will keep growing in the future Invest in yourself by getting this valuable and inexpensive book today Read it on your PC Mac smart phone tablet or Kindle device Download your copy today **AMAZON REWARDS REVIEWERS** Did you know Amazon com rewards people for reviewing products they purchase There have been stories about Amazon randomly giving gift cards to people just because they were kind enough to leave an honest review That s free money So with that being said would you mind leaving this book a review on Amazon Thank you so much **BONUS** If you make it to the end of this book you will be able to get a special sneak peak at Malik Jordan s next book that will be sure to add value to your life Download your copy today **TAKE ACTION** If this is something you are interested in because you think it will help you out then you should buy **The Basics of Running a Business In 1 000 Words or Less** today risk free If you re not satisfied within the first 7 days then you can get your money back guaranteed no questions asked Begin your journey on discovering new possibilities with **The Basics of Running a Business In 1 000 Words or Less** today Act fast because the price will not be this low forever Download your copy today Tags business niche entrepreneurship beginner basics tips advice malik jordan inexpensive book **PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0** Malik McCotter-Jordan,2021-12-25 I m not suggesting that you fire your boss i e quit your job In fact I advise you to keep your job in this book I have a job That s called having more than one stream of income and I talk about that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a raw and real book written by a guy who is only a few steps ahead of you That s it I m not a guru This is

not a scam I put my heart and soul into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don't have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That's why this genre is called personal finance right I get really personal Some might say it's too personal If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today
