Fall Season

Fall is the season after summer when the weather starts to get cooler. Another name for fall is autumn. During this season, the days get shorter and the leaves start changing colors. They change from green to red, orange, or yellow. Later in the Fall, leaves fall off the trees. It is a great season raking leaves-jumping in them!

This is the time of year when many kids go back to school. It is also the time of year when foods like apples and pumpkins are ready to be picked.
