**Information Security Technologies for Controlling Pandemics** Hamid Jahankhani, Stefan Kendzierskyj, Babak Akhgar, 2021-07-29 The year 2020 and the COVID 19 pandemic marked a huge change globally both in working and home environments They posed major challenges for organisations around the world which were forced to use technological tools to help employees work remotely while in self isolation and or total lockdown Though the positive outcomes of using these technologies are clear doing so also comes with its fair share of potential issues including risks regarding data and its use such as privacy transparency exploitation and ownership COVID 19 also led to a certain amount of paranoia and the widespread uncertainty and fear of change represented a golden opportunity for threat actors This book discusses and explains innovative technologies such as blockchain and methods to defend from Advanced Persistent Threats APTs some of the key legal and ethical data challenges to data privacy and security presented by the COVID 19 pandemic and their potential consequences It then turns to improved decision making in cyber security also known as cyber situational awareness by analysing security events and comparing data mining techniques specifically classification techniques when applied to cyber security data In addition the book illustrates the importance of cyber security particularly information integrity and surveillance in dealing with an on going infectious crisis Aspects addressed range from the spread of misinformation which can lead people to actively work against measures designed to ensure public safety and minimise the spread of the virus to concerns over the approaches taken to monitor track trace and isolate infectious cases through the use of technology In closing the book considers the legal social and ethical cyber and information security implications of the pandemic and responses to it from the perspectives of confidentiality integrity and availability *Right Off the Map* Charles Edward Montague, 1927 [Google Maps Location Intelligence](#) Silas Meridian, 2025-11-20 Have you ever wondered how much hidden power lies inside the everyday map you use to find a restaurant check traffic or plan a trip What if those simple taps could unlock the same intelligence businesses use to predict customer behavior optimize delivery routes analyze risk and stay ahead of the competition In *Google Maps Location Intelligence Geospatial Analytics Business Insights and AI Integration* Silas Meridian invites you into a conversation not a lecture about the invisible patterns shaping our world And he

asks the questions most people never think to ask Why do some businesses flourish simply because they understand location better How do companies know where to build when to deliver or which customers to target even before customers know what they want And more importantly why aren t YOU using the same tools This book doesn t talk at you it walks with you showing how location data quietly directs everything from marketing to urban planning to emergency response As you turn each page you ll find yourself asking What else is location telling me that I ve been ignoring How much smarter could my decisions be if I understood these patterns What opportunities am I missing because I didn t look deeper Silas Meridian breaks complex concepts into a compelling conversation that feels almost personal like a mentor sitting across from you revealing the secrets behind geospatial analytics business strategy and AI powered intelligence You ll explore the real world logic behind data driven decisions uncover the surprising ways location shapes human behavior and learn how companies are using Google Maps not just as a navigation tool but as a strategic engine for growth As the discussion unfolds you ll find yourself thinking Could I use these insights to improve my business Is location data the key to solving problems I ve struggled with What would change if I finally mastered the technology everyone else is quietly leveraging By the end you won t just understand location intelligence you ll see the world differently Every place every movement every pattern suddenly becomes meaningful The map comes alive And then the final question becomes unavoidable Are you ready to transform the way you think plan and make decisions If your answer is yes then don t wait Take the next step Unlock the power of location Get your copy now and start seeing what others overlook
