A New Approach to Reading Videogames as Story Thomas Rowland, 2026-01-27

This book introduces a new methodology for understanding videogames with particular attention to three types of videogames toy games storybook games and ludonarratives This methodology pulls from phenomenological and deconstructionist roots informed by medieval studies and the history of reading to emphasize how important playing stories can be as a form of narrative This book explores the idea of storyplaying in connection with new ideas on intramersive movement game mechanics and sacred play to develop a typology of videogames that will enable critics educators and theorists to situate videogames within a broad continuum of literary history Building on this foundation this book continues by exploring additional facets of this methodology by exploring the relationship between videogames and film criticism the emerging art world of game mediated photography the various economies constructed around videogames the potential of games to serve as third places and some suggestions for videogames in the classroom These ideas are contextualized by the author's argument that videogames serve a purpose akin to the original function of medieval cathedrals as intentional virtual spaces with dedicated and important meditation which given today's decadent cultural and political climate underscores the

urgency of recognizing videogames as being vital to our scholarly and educational enterprises *Lawfulness and Lawfare in the South China Sea* Hong Thao Nguyen, Thi Kim Nguyen Tran, 2026-01-01 This book explores the subject of lawfare legal warfare in the South China Sea analyzing how legal techniques are employed within the context of cognitive and hybrid warfare The work delves into events highlighting both aggressive tactics and lawful responses while also proposing the 3P formula Publicity Public Opinion and Public International Law as an effective method for mobilizing efforts to protect international law The book features numerous illustrations of maritime claims and boundaries updated to 2025 providing readers with a clear visual perspective The main benefit of this work is that it offers a comprehensive view with extensive resources and in depth arguments making it highly useful for researchers students and practitioners The book is aimed at the shared goal of promoting dispute resolution through fair legal mechanisms thereby contributing to regional peace and stability **Raspberry Pi Media Center Guide** Barrett Williams, ChatGPT, 2025-05-25 Unlock the Ultimate Home

[Netflix, Amazon, Hulu, and Streaming Video](#) Michael Burgan, 2018. Back in the day, people had to be in front of the TV to watch their favorite shows. That, of course, is no longer true, and the companies featured in this book played a big part in that sea change. Read how streaming video companies are not only offering new ways to see old work but are becoming vital players in the creation of stunning new movies, TV shows, and more. This is not your parents' world of entertainment. Almost nothing has changed as much in the past decade as how we engage with creativity. From streaming video and music to amazing new cameras and animation, companies have sprung up to capture our attention using stunning new technologies. In this series, examine some of the key players in this constantly changing market and find out what they have in store for the future. Each title in *TECH 2.0 World Changing Entertainment Companies* includes color photos throughout and back matter including an index and further reading lists for books and internet resources. Key Icons appear throughout the books in this series in an effort to encourage library readers to build knowledge, gain awareness, explore possibilities, and expand their viewpoints through our content-rich nonfiction books. Key Icons in this series are Words to Understand, shown at the front of each chapter with definitions. These words are set in boldfaced color type in that chapter so that readers are able to reference back to the definitions, building their vocabulary and enhancing their reading comprehension. Sidebars are highlighted graphics with content-rich material within that allows readers to build knowledge and broaden their perspectives by weaving together additional information to provide realistic and holistic perspectives. Text-Dependent Questions are placed at the end of each title. They challenge the reader's comprehension of the material they have just read while sending the reader back to the text for more careful attention to the evidence presented there. Research Projects are provided at the end of each title and give readers suggestions for projects.

that encourage deeper research and analysis Educational Videos are offered in chapters through the use of a QR code that when scanned takes the student to an online video showing a moment in history a speech or an instructional video This gives the readers additional content to supplement the text A Series Glossary of Key Terms is included in the backmatter containing terminology used throughout the series Words found here broaden the reader s knowledge and understanding of terms used in this field
