Apple in China Patrick McGee, 2025-05-13 THE NEW YORK TIMES BESTSELLER Absolutely riveting Peter Frankopan author of The Silk Roads Disturbing and enlightening Chris Miller author of Chip War Hugely important Rana Foroohar author of Makers and Takers A once in a generation read Robert D Kaplan author of Waste Land As Trump wages a tariff war with China seeking to boost domestic electronics manufacturing this book offers an unparalleled insight into why his strategy is embarrassingly naive Apple isn t just a brand it s the world s most valuable company and creator of the 21st century s defining product The iPhone has revolutionized the way we live work and connect But Apple is now a victim of its own success caught in the middle of a new Cold War between two superpowers On the brink of bankruptcy in 1996 Apple adopted an outsourcing strategy By 2003 it was lured to China by the promise of affordable ubiquitous labour As the iPod and iPhone transformed Apple s fortunes their sophisticated production played a

seminal role in financing training supervising and supplying Chinese manufacturers skills Beijing is now weaponizing against the West Investigative journalist Patrick McGee draws on 200 interviews with former Apple executives and engineers to reveal how Cupertino's choice to anchor its supply chain in China has increasingly made it vulnerable to the regime's whims Both an insider's historical account and a cautionary tale Apple in China is the first history of Apple to go beyond the biographies of its top executives and set the iPhone's global domination within an increasingly fraught geopolitical context

What I Should've Said Max Monroe, 2025-01-07 You don't find love Love finds you in New York Times bestselling author Max Monroe's tender and emotionally charged story When grumpy muscled up artist Bennett Bishop bothers to speak it's usually to say something you're not ready to hear When he first speaks to Norah Ellis a rambling runaway bride who hitchhikes a ride from him it's to tell her to get out of his truck and walk because she's a pain in the By appearance Norah Ellis is a fancy fashionista who's spent the last several years living the good life in the city expensive apartments highbrow events and a fianc with wealth and good looks The only problem is that she didn't choose any of it for herself On the day of her July wedding Norah's world turns upside down thanks to a letter from a stranger She runs for the small town in Vermont she used to call home but what's waiting for her between her estranged sister the townspeople and bad boy Bennett Bishop himself is way more than she bargained for Enemies turn to lovers strangers become friends dark secrets bust open like cans of worms and most of all summer will never be the same Some books feel personal when you read them like you can tell the writer poured extra in That's this story I dreamed about it all night What an unforgettable journey Kim Holden Bestselling Author of Bright Side
