Birnbaum's Walt Disney World Without Kids 2008 Birnbaum Travel Guides, 2007-09-18 In *Birnbaum's Walt Disney World Without Kids* the most respected and well known name in travel guides takes adult readers through the world's most popular tourist attraction. Because our guide is the only guide that's official, this book includes the most accurate information on prices and attractions. None of the other guides have access to the information that our authors do. This book focuses on the resorts, attractions, restaurants, and special places that adults will most enjoy and probably never realized existed. This year's edition is packed with information on new attractions and tips and insights especially tailored for the young at heart, plus expanded coverage of Walt Disney World's quartet of spas, the lowdown on Downtown Disney, Pleasure Island's ongoing transformation, and News for Night Owls, a listing of spots for those who, unlike Cinderella, can stay out past midnight. Other features include updated sample schedules, info on the newest restaurants, and a streamlined guide to Walt Disney World transportation, with more color photos than ever before.
