

An illustration for the Goodreads Choice Awards 2020. The background is dark with several white starburst shapes. In the center is a large, light-brown book with the text "goodreads CHOICE AWARDS 2020" on its cover. Surrounding this central book are several hands of different skin tones (light, dark, and white) holding smaller books. The books are in various orientations, some upright and some tilted. The overall style is flat and modern.

Online Searching Karen Markey, 2023-02-07 Online Searching prepares students in library and information science programs to assist information seekers at all levels from university faculty to elementary school students Included in the third edition are interviews with librarians and other information professionals whose words of wisdom broaden graduate students perspectives regarding online searching in a variety of work settings serving different kinds of information seekers The book s chapters are organized according to the steps in the search process 1 Conducting a reference interview to determine what the seeker wants 2 Identifying sources that are likely to produce relevant information for the seeker s query 3 Determining whether the user seeks a known item or information about a subject 4 Dividing the query into main ideas and combining them logically 5 Representing the query as input to the search system 6 Conducting the search and responding strategically 7 Displaying retrievals assessing them and responding tactically A new chapter on web search engines builds on students existing experience with keyword searching and relevance ranking by introducing them to more sophisticated techniques to use in the search box and on the results page A completely revised chapter on assessing research impact discusses the widespread use of author and article iMetrics a trend that has developed rapidly since the publication of the second edition More than 100 figures and tables provide readers with visualizations of concepts and examples of real searches and actual results Textboxes offer additional topical details and professional insights New videos supplement the text by delving more deeply into topics such as database types information organization specialized search techniques results filtering and the role of browsing in the information seeking process An updated glossary makes it easy to find definitions of terms used throughout the book With new and updated material this edition of Online Searching gives students knowledge and skills for success when intermediating between information seekers and the sources they need Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they ll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You ll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you ll discover tips to help you keep up with this ever changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library s brand You will come away from this easy to understand crash course with the solid background you need to do both **Mediation and**

Multimodal Meaning Making in Digital Environments Ilaria Moschini, Maria Grazia Sindoni, 2021-11-15 This collection explores the mediation of a wide range of processes texts and practices in contemporary digital environments through the lens of a multimodal theory of communication Bringing together contributions from renowned scholars in the field the book builds on the notion that any form of digital communication inherently presents a rich combination of different semiotic modes and resources as a jumping off point from which to critically reflect on digital mediation from three different perspectives The first section looks at social and semiotic practices and the implications of their mediation on artistic production cultural heritage and commerce The second part of the volume focuses on dynamics of awareness cognition and identity formation in participants to digitally mediated communicative processes The book s final section considers the impact of mediation on shaping new and different types of textualities and genres in digital spaces The book will be of particular interest to scholars researchers and students in multimodality digital communication social semiotics and media studies

How to Argue with a Racist Adam Rutherford, 2020 The most up to date science on the genetics of who we are and where we come from showing us a more scientifically enlightened way to talk colloquially about race

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 *Young Adult Resources Today* Connecting Teens with Books Music Games Movies and More is the first comprehensive young adult library services textbook specifically written for today s multidimensional information landscape The authors integrate a research focused information behavior approach with a literature focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults Currently no single book addresses both YA information behaviors and information resources in any detail instead books tend to focus on one and give only cursory attention to the other Key features of this revolutionary book include its success in Integrating theory research and practice Integrating implications for practice throughout the book Integrating knowledge of resources with professional practice as informed by research Integrating both print and electronic formats throughout within the resource chapters including websites and social media Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood diversity YA development and multiple literacies Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres movies magazines web sites social media and gaming The final chapter cover navigating information landscapes focusing on real and virtual YA spaces readers advisory programming and collaboration Special attention is paid to program planning and evaluation

The Infinity Particle Wendy Xu, 2023-08-29 In this gorgeous graphic novel by Wendy Xu co creator of the award winning *Mooncakes* a young inventor falls for a lifelike AI and confronts questions of freedom and autonomy Clementine Chang moves from Earth to Mars for a new start and is lucky enough to land her dream job with Dr Marcella Lin an Artificial Intelligence pioneer On her first day of work Clem meets Dr Lin s assistant a humanoid AI named Kye Clem is no stranger to robots she built herself a cute moth shaped

companion named SENA Still there s something about Kye that feels almost too human When Clem and Kye begin to collaborate their chemistry sets off sparks The only downside Dr Lin is enraged by Kye s growing independence and won t allow him more freedom Plus their relationship throws into question everything Clem thought she knew about AI After all if Kye is sentient enough to have feelings shouldn t he be able to control his own actions Where is the line between AI and human As her past and Kye s future weigh down on her Clem becomes determined to help him break free even if it means risking everything she came to Mars for
