Dear Ms. Goodman,

Digital Marketing is about finding a voice, amplifying it and cultivating a community around it. In my previous three positions, I have created award-winning social strategies, grown audiences by 1700%, and increased brand awareness off the charts (from 2% to 102%)

A great social strategy feeds on itself and my role as a digital marketing manager is to create all the right ingredients for this to take place. Optimizing digital marketing campaigns for consumer brands taps into the psyche of the consumer – I have tripled sales of ice cream, broken a personal hygiene supply chain with +1020% LFL promotional success and ensured that a new range of smoothies captured 25% market share within 6 months.

I have enclosed a selection of highlights from my portfolio that I believe may be relevant to the campaigns I would be running with you. Every brand is different, but in many situations if one approach works for one brand it is likely to work for another. I am consistently recognized as one of the leading consumer marketers and I am confident in my ability to translate my previous wins into amazing success for you.

I'd love the opportunity of an interview to discuss my ideas of how to take your brand to the next level on social.

Sincerely,

Matthew Jones
