Colleen Hoover

Goodreads Choice Deal Sign In:

The Publishers Weekly, 2008 *Good Housekeeping*, 2008 **Good Housekeeping Magazine**, 2008 **The Deal of a Lifetime** Fredrik Backman, 2018-10-18 Fans of *Beartown* and *A Man Called Ove* will love this festive novella from the 13 million copy internationally bestselling author _____. It is Christmas Eve and a father and son are meeting for the first time in years. The father has a story he needs to share before it's too late. As he tells his son about a courageous little girl lying in a hospital bed a few miles away, he reveals even more about himself: his triumphs in business, his failures as a parent, his past regrets, his hopes for the future. Now on this night before Christmas, the father has been given the unexpected chance to do something remarkable that could change the destiny of a little girl he hardly knows. But before he can make the deal of a lifetime, he must find out what his own life has actually been worth, and only his son can reveal the answer. With humor and compassion, Fredrik Backman's novella *The Deal of a Lifetime* reminds us that life is a fleeting gift and our legacies rest in how we share that gift with those we love.

Without Merit Colleen Hoover, 2017-10-03 From the #1 New York Times bestselling author of *It Ends With Us* and *November 9* comes a moving and haunting novel of family love and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement; the father is married to the mother's former nurse; the little half brother isn't allowed to do or eat anything fun; and the eldest siblings are irritatingly perfect. Then there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before, leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.
