Biaozhun Hanyu jiaocheng Zhengdeng Huang,1997 *Hanyu jiaocheng* Jizhou Yang,2011 *Hanyu Jiaocheng* Jizhou Yang,
Biaozhun hanyu jiaocheng ,2007 **Explorations into Chinese as a Second Language** Istvan Kecskes,2017-06-23 This volume explores how linguistic research can support the teaching and learning of Chinese as a second language It responds to a rapidly growing interest in the Chinese language all over the world and answers the need for a strong research background for the discipline Without that Chinese language learning remains only a unique experience and or a useful education challenge The first section explores crucial issues about the structure and use of Chinese as a Second Language such as word order noun noun compounds meaning making in writing pronunciation and stress and tone The second section explores the learning of Chinese by seeking answer to questions about difficulties expectations beliefs use of corpus and learning how to express necessity The authors coming from eight different countries demonstrate how existing knowledge has been generated bring together different lines of research point out tendencies in the field demonstrate and explain what tools and methods researchers can use to address major issues in the field and give direction to what future research should focus on **Chinese as a Second Language Research from Different Angles** ,2024-04-02 A crucial question for Chinese as a Second Language research is how to help elevate Chinese language teaching methodology to the level of other world language methodologies such as English Spanish and German This work goes in two directions One explores how to apply research results achieved in Chinese linguistics to Chinese language teaching and the other is engaged in creating a strong applied linguistics research field that supports Chinese language teaching CASLAR scholars are mainly involved in the latter one This book is a representative sample of their research endeavors **Inscribing Jingju/Peking Opera** David Rolston,2021-08-09 What was the most influential mass medium in China before the internet Jingju Peking opera Although its actors were commonly thought to have been illiterate written and other inscribed versions of plays became more and more important and varied This book shows how increasing textualization and the resulting fixation of a performance tradition that once privileged improvisation changed the genre It traces from Jingju s birth in the 19th century to the present how texts were used for the production and consumption of this important performance genre and the changes in the concepts of authorship copyright and performance rights that took place during the process The state s desire to police what was performed is shown to have been a major factor in these changes The scope and coverage of the book is already unprecedented but it is also supplemented by an additional chapter on where the plays were performed who performed them and who went to see them available for download online **Reading Sima Qian from Han to Song** Esther S. Klein,2019-03-27 In *Father of Chinese History* Esther Klein explores the life and work of the great Han dynasty historian Sima Qian as seen by readers from the Han to the Song dynasties Today Sima Qian is viewed as both a tragic hero and a

literary genius Premodern responses to him were more equivocal the complex personal emotions he expressed prompted readers to worry about whether his work as a historian was morally or politically acceptable Klein demonstrates how controversies over the value and meaning of Sima Qian's work are intimately bound up with larger questions How should history be written What role does individual experience and self expression play within that process By what standards can the historian's choices be judged
