Haunted Chuck Palahniuk,2005 HAUNTED is a novel made up of stories twenty three of them to be precise Twenty three of the most horrifying hilarious mind blowing stomach churning tales you ll ever encounter sometimes all at once They are told by the people who have all answered the ad headlined Artists Retreat Abandon your life for three months They are led to believe that here they will leave behind all the distractions of real life that are keeping them from creating the masterpiece that is in them But here turns out to be a cavernous and ornate old theatre where they are utterly isolated from the outside world and where heat and power and most importantly food are in increasingly short supply And the more desperate the circumstances become the more desperate the stories they tell and the more devious their machinations become to make themselves the hero of the inevitable play movie non fiction blockbuster that will certainly be made from their plight HAUNTED is at one level a satire of reality television It draws from a great literary tradition The Canterbury Tales The Decameron the English storytellers in the Villa Diodati who produced among other works Frankenstein to tell an utterly contemporary tale of people desperate that their story be told at any cost Appallingly entertaining HAUNTED is Chuck Palahniuk at his finest which means his most extreme and his most provocative

The Haunted Hotel Wilkie Collins,2026-01-06T20:20:27Z One of Wilkie Collins shorter novels The Haunted Hotel was published in 1878 as a monthly serial in six parts in Belgravia magazine Most of the dramatic and sensational parts of the novel are set in Venice and feature more of an emphasis on the supernatural than is usual in Collins work The story deals with the death of the wealthy Baron Montbarry in a hotel in Venice This follows his inexplicable breaking off of a previous engagement to a pretty young woman and his subsequent marriage to a mysterious Countess an unhealthy looking widow Montbarry s younger brother and the young woman he had spurned set out to discover more about his death The novel is considered by at least one biographer to be something of a potboiler written because Collins was desperate for money So desperate was he that he subsequently sold the translation and international rights to the novel getting himself into legal trouble with the original publisher for doing so without their permission This book is part of the Standard Ebooks project which produces free public domain ebooks
