Hearts On Fire:

Hearts on Fire Fred A. Hartley III,2021-02-01 Heart fire is the invigorating feeling that ignites inside you when you encounter the reality the reality of the living God and the reality of who you are meant to be But fire is more than a feeling much more When the fire inside God touches something inside you the effect is spontaneous combustion God actually made your heart to be a flame holder of his presence The flow of fire into your heart is just as important as the flow of blood into your heart You can t live without blood and in reality you can t live without fire not really live Here s the good news it is not your job to set your heart on fire Fire is what God does not what you do Hearts on Fire is altering the course of history God wants to set your heart on fire and to make you a history shaper No one else can take your place You have a unique mission to fulfill May God spark revival fire in your heart today Hearts on Fire is not a book about revival it s a book of revival
