forms The forms are designed to be used by rig workers to document the inspection of tools and equipment commonly found
on rotary and workover rigs Each inspection form includes instructions for assessing and recording the condition of the
equipment When applicable relevant federal regulations and industry recommended practices are included The Rig Check
inspection forms are an excellent training tool for short service employees who may not be familiar with the tools and
equipment found on oil and gas rigs Small companies whose safety and health resources are limited may find Rig Check
useful for enhancing their HSE programs The forms can also be downloaded from the NIOSH website at www.cdc.gov/niosh/programs/oilgas/products/html
