Introductory sport management courses at the undergraduate level 2024 500 pages *Gino* Patrick Johnston, Peter Leech, 2025-10-07 From veteran hockey reporter Patrick Johnston and Gino's longtime friend Peter Leech comes the authorized biography of Gino Odjick In the 1980s and 90s National Hockey League games were very different from the nimble skill focused displays we see today One of the greatest differences and one of the sport's more popular facets at the time was the widespread presence of enforcers hulking battle scarred players whose main task was to police the sport by chasing down and brawling with opponents who had broken unwritten codes determining which aspects of violence counted as dishonorable or unjustified When hard hitting Vancouver Canucks player Gino Odjick emerged in the early 1990s he quickly became one of the game's most feared enforcers and revered teammates a sign of a new era for the team racking up 296 penalty minutes in the 45 games he played in his rookie season Hailing from Kitigan Zibi an Algonquin community near Maniwaki Quebec Gino was one of the few Indigenous players in the NHL at the time But it was Gino's ferocious play contrasted by his genuinely affable and openhearted personality off the ice that won him a special place in the hearts of Canucks supporters Yet legends often obscure the human stories behind them Patrick Johnston and Peter Leech look beyond Gino's legendary persona drawing on insights from family members friends and teammates to recount Gino's early years in a loving household that was always ready to welcome foster children Gino's father Joe had suffered the lonely traumas of the residential school system and the experience had instilled a commitment in the family to those who were less fortunate The book also details Gino's eventual struggles with alcohol abuse and how he responded by taking on the role of empathetic mentor to young Indigenous people travelling from community to community to hear their stories and offer hope He never wavered in this role even as he confronted serious illnesses including chronic traumatic encephalopathy CTE and the rare blood disorder that he survived for years longer than expected but that eventually led to his death at age fifty two Gino is a moving tribute to a beloved hockey legend **USA Today Index** ,1996 **Billboard** ,2004-08-28 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends [IIHF where Countries Come to Play IIHF](#) (Int'l Ice Hockey Federation),2011 This colossal Guide includes information on every top level event every IIHF member nation and indeed every player to appear in even a single game since international hockey first took hold in 1920 In all more than 12 000 players are included as well as every coach every referee every linesman and every stat imaginable The 2012 IIHF Guide and Record Book is the official and only complete source of information for international hockey It covers all top level events from

the Olympics to World Championships to junior events from men s hockey to women s hockey from 1920 to the past and present seasons At 640 pages it contains the scores and standings for every international game and event ever contested the statistics for every player coach and on ice official in IIHF competition history and the results and histories of every nation that has ever participated in an IIHF event Full of information on every aspect of the international game this is the one and only source fans will need if they are interested in the World Junior Championship Team Canada or any other aspect of the international game With a special section on the World Junior Championships taking place in Alberta this Christmas this is the most important book hockey fans will need this season
