Scientist Analyzes American Movies and What They Say About Our Culture** R. Grant Steen,2025-12-18 A great many  
movies are made but only a few become cultural icons seen and valued by most people If a movie draws an audience it has  
captured public attention But if a movie becomes iconic it offers insight into our culture Such movies reveal what we value  
what we fear or what we hope to become Seminal movies help us understand important currents in American culture reveal  
hidden attitudes and both reflect and influence culture Why over the period from 1940 to 2020 did America go from making  
the world safe for democracy to almost giving up on it Does the rise of superheroes suggest Americans feel powerless What  
does it mean that movies have gotten darker less comic more violent There s an important caveat here without data it s just
