Necessary Endings Henry Cloud :

Necessary Endings Henry Cloud, 2011-01-18 End Pain Foster Personal and Professional Growth Live Better While endings are a natural part of business and life we often experience them with a sense of hesitation sadness resignation or regret But consultant psychologist and bestselling author Dr Henry Cloud sees endings differently He argues that our personal and professional lives can only improve to the degree that we can see endings as a necessary and strategic step to something better If we cannot see endings in a positive light and execute them well he asserts the better will never come either in business growth or our personal lives In this insightful and deeply empathetic book Dr Cloud demonstrates that when executed well necessary endings allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek However when endings are avoided or handled poorly as is too often the case good opportunities may be lost and misery repeated Drawing on years of experience as an executive coach and a psychologist Dr Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business or with an individual identify which employees projects activities and relationships are worth nurturing and which are not overcome people's resistance to change and create change that works create urgency and an action plan for what's important stop wasting resources needed for the things that really matter Knowing when and how to let go when something or someone isn't working a personal relationship a job or a business venture is essential for happiness and success *Necessary Endings* gives readers the tools they need to say good bye and move on

The Toxic War on Masculinity Nancy R. Pearcey, 2023-06-27 Why Can't We Hate Men asks a headline in the Washington Post A trendy hashtag is KillAllMen Books are sold titled I Hate Men The End of Men and Are Men Necessary How did the idea arise that masculinity is dangerous and destructive Bestselling author Nancy Pearcey leads you on a fascinating excursion through American history to discover why the script for masculinity turned toxic and how to fix it Pearcey then turns to surprising findings from sociology Religion is often cast as a cause of domestic abuse But research shows that authentically committed Christian men test out as the most loving and engaged husbands and fathers They have the lowest rates of divorce and domestic violence of any group in America Yes domestic abuse is an urgent issue and Pearcey does not mince words in addressing it But the sociological facts explode the negative stereotypes and show that Christianity has the power to overcome toxic behavior in men and reconcile the sexes an unexpected finding that has stood up to rigorous empirical testing

Stuck F. Remy Diederich, 2012-12-12 Are You STUCK in a Broken Relationship We've all been stuck stuck in traffic stuck in the mud stuck in the middle But getting stuck in a broken relationship is one of the worst places to be stuck It leaves you hurt and confused not knowing what to do next If that's where you find yourself today then STUCK may be the book to help you get unstuck A Practical Guide to Broken Relationships F Remy Diederich goes beyond anger management and provides his readers with practical spiritual insight into how to overcome anger He offers helpful analysis of the question What is

anger and then carefully suggests approaches often step by step to help you navigate the process of letting go of your anger and getting your life back on track A Bible based Approach on How to ForgiveF Remy Diederich s writing is rich in biblical thought and counsel but not simplistic in its application or blind to the realities of human weakness Issues of anger management grief boundaries and how to forgive are carefully looked at from a spiritual perspective He also includes a special section on how to forgive yourself A Compassion Realistic Approach to Reconciliation While encouraging reconciliation the author is also aware that reconciliation is not always possible and offers alternatives Because of STUCK s helpful how to nature you will want to highlight key thoughts and return to them again and again What will you learn from STUCK The answer to the question what is anger Seven reasons why those closest to you often tick you off How to take control of your anger and let it work for you Seven reasons you stay stuck in broken relationships Why grieving is so important after you lose a relationship A practical guide on how to forgive others How to help others forgive you and achieve reconciliation How to forgive yourself How to move on from your past and reclaim your life If you are stuck in a broken relationship do yourself a favor and read this book It could be just the thing you need to help you get unstuck and move on with your life Still not sure Go back to the top of this page and check out the Look Inside The Book feature to take a glance at how this book can help you Mend and Move on From Broken Relationships [The Code of Contentment](#) Paul

TenHaken,2024-05-07 For anyone struggling to find the balance between a career of success and the life of faith God has called them to The Code of Contentment provides the playbook Author Paul TenHaken pulls from his decades of experience as an entrepreneur elected official and community leader to help readers navigate the continual struggle between earthly success and eternal significance Using real world experiences combined with consistent weekly workbook assignments The Code of Contentment provides 52 devotionals to create a year long rhythm of self reflection for the reader developing habits of gratitude relationship building physical health and consistent time with God A perfect book for those who are early in their career and wanting guidance on God s plan for their life **BMom** Crissy Shreve,2014-02 Rich and real BMom is one

woman s mosaic of love life and loss and of being found among the pieces No one piece is a whole yet all are precious together a masterpiece and each a gem It s God restoring the shattered pieces of my life and my soul His fingerprints are all over it The reader will laugh and the reader will cry and in that we will become friends BMom begins with my relinquishing my infant son into the hands of parents I couldn t know It moves through the intervening years until he found me on to our reunion and beyond Not only was I reunited with my son I was reunited with myself Interspersed are various interludes that speak of lessons learned feelings finally understood and felt and poetry written as part of my journey BMom is entertaining and engaging while occasionally making a point to be taken or not as the reader chooses BMom is above all else a good read
