If something isn't done quickly Americans face a bleak future continuing decline and disarray in a world that grows ever more dangerous
Steve Forbes two time candidate for the GOP presidential nomination and Forbes Media Chairman explains how today's malaise has been caused by years of Obama's destructive policies a broken tax system and the Federal Reserve's Soviet style controls over credit and money
The problems are challenging
But Forbes tells us that with the right policies the country can bounce back faster than people think
In this compelling and much needed book he sets forth a three part plan to revive America
Patient Driven Healthcare
The problem with healthcare Forbes says is that Big Government health insurance companies and employers are in control not you the patient
The key to getting high quality affordable healthcare is increasing competition and choice and putting patients in charge
Enact a Flat Tax
Today's complex corrupt tax code must be scrapped
The best answer is a simple Flat Tax
Forbes shows how this very bold reform would free America from the IRS and unleash an unprecedented wave of prosperity
A Sound Dollar as Good as Gold
With its ever fluctuating fiat dollar the Federal Reserve has blocked a real recovery and is the prime cause of today's stagnant crisis ridden economy
The answer
Take the dollar out of the hands of the Washington politicians by returning to a monetary system with the value of the dollar linked to gold
A clear and vital guide
Reviving America shows how the United States can recover the optimism and entrepreneurial dynamism that made it the greatest nation in history
These are 21st century solutions not the failed ideas of the recent past
