**Standing Tall** Sam Carchidi,2013-09-01 As a powerfully built third year tight end with the Buffalo Bills Kevin Everett had it all a promising NFL future a beautiful girlfriend whom he planned to marry and an engaging personality that made him one of his team s most popular players He also had a wonderful family that included his devoted mother and his three adoring younger sisters for whom he had recently purchased a home in suburban Houston Texas And then in a fraction of a second his life was changed forever when he was paralyzed while making a tackle against the Denver Broncos in the 2007 season opener

*The Good Quit* Jeffrey A. Lockwood,2026-02-16 Quitting is a vital and pervasive phenomenon that shapes our lives *The Good Quit* is an enlightening and provocative challenge to the common perceptions around the choice to quit Rather than offering simplistic how to advice scientist turned philosopher Jeffrey A Lockwood makes full use of biological psychological and social sciences to unpack what constitutes quitting for the right reasons at the right time and in the right way using both fundamental principles and concrete examples He explores the full range of ways in which quitting can occur in the human experience including addictions careers diets games habits jobs politics relationships religions sports and wars Masterful quitting contributes to genuine success but this practice nevertheless has been largely overlooked by scholars teachers coaches and leaders This book is a three part exploration In conceptual terms it asks Is it really quitting if the decision is reversible involuntary or partial In normative terms it explores whether quitting must be well reasoned timed and enacted to be justifiable In applicable terms it emphasizes phronesis or practical wisdom and contributes to the understanding that what constitutes quitting and doing so well is vital to making decisions about whether to persevere or abandon difficult ventures Flourishing is more complex than grit or quit advocates suggest To thrive we must come to know why when and how to quit *The Good Quit* approaches this topic from an expansive and philosophical point of view making it valuable for anyone contemplating the what when why and how of quitting
