The Ethics of Personal Data Collection in International Relations Colette Mazzucelli,James Felton Keith,C. Ann Hollifield,2022-04-05 This volume s relevance may be explained first and foremost during a time of unprecedented loss of life around the world each day The data which is oftentimes incomplete and misleading nonetheless reveals the state as deficient as well as negligent in its response to social healthcare needs This volume attests to the fact that pressing global public health concerns are ever present as subjects of societal discourse and debate in developed and developing states Moreover the COVID 19 pandemic makes the omission of the ethics of personal data collection analysis in the international relations literature even more salient given the rise of contact tracing and increased uses of mobile phone Apps to track citizens by states and firms across the globe as this volume s chapters analyzing the responses to COVID 19 in Iran and Taiwan explain

Followed by the Secret Reality Megan Ravenell,2023-01-27 This story captures the life of three

former UCLA college roommates during a cabin trip The trip was intended to be used to catch up on lost time but instead the universe had other plans to reveal the truth about what was thought to be reality They would ve never seen this coming

Trump Was a Joke Sophia A Mcclennen,2023-03-24 Written by a scholar of satire and politics Trump Was a Joke explains why satire is an exceptional foil for absurd political times and why it did a particularly good job of making sense of Trump Covering a range of comedic interventions Trump Was a Joke analyzes why political satire is surprisingly effective at keeping us sane when politics is making us crazy Its goal is to highlight the unique power of political satire to encourage critical thinking foster civic action and further rational debate in moments of political hubris and hysteria The book has been endorsed by Bassem Youssef who has been referred to as the Jon Stewart of Egypt and Srdja Popovic author of Blueprint for Revolution who used satirical activism to bring down Serbian dictator Slobodan Milosevic With a foreword by award winning filmmaker satirist and activist Michael Moore this study will be of interest to readers who follow politics and enjoy political comedy and will appeal to the communications comedy studies media studies political science rhetoric cultural studies and American studies markets

Platform Strategies Paul Belleflamme,Nicolas Neysen,2023-04-10 Over the past decade platforms have spread through many industries and generated an increasing share of the global economy Many of the world s most valuable companies have adopted a platform based business model and today we find that platforms pervade our everyday lives So far however the existing management literature has failed to provide professionals and students with appropriate tools to understand the business models that make those platforms successful This book offers rigorous analysis of the complexity of platforms as well as practical strategic guidance and tools to help you deal with this complexity Written in an accessible style and based on a comprehensive approach Platform Strategies is self contained and does not require the reader to have specific prior knowledge The book is both academically rigorous and a pragmatic and efficient guide incorporating path breaking insights from academic research on platforms with real world applications of concepts and tools The book engages with case studies and highlights important take aways that can be implemented in practice You ll learn how to use new tools of strategic management and how to adapt well established ones This book is an invaluable resource for entrepreneurs experienced or aspiring managers of existing platforms and businesses professionals and students in business management and economics
