Unlocking Business Insights Aneesh Banerjee, 2026-03-06 *Unlocking Business Insights* provides a practical framework for extracting meaningful business insights from data guiding leaders through fundamental principles that transform overwhelming datasets into actionable business value. This book equips readers with essential analytical thinking skills through real world examples that bridge theory and practice. Readers will gain the ability to navigate complex data landscapes, make informed decisions based on proper benchmarking, understand trends, compare like for like indicators, evaluate trade offs, develop predictive models, account for competitor intelligence and recognise cognitive biases all presented in accessible language that demystifies data analytics for business application. The author's structured approach balances analytical rigor with business relevance helping managers extract valuable insights without getting lost in technical complexities. Each principle builds upon the previous one creating a comprehensive framework that transforms raw data into strategic advantage while addressing the tension between statistical precision and practical business needs. Written for business leaders, managers and students at all levels studying data analytics, this book is ideal for introductory courses in business analytics, data science for business and data driven decision making offering a non technical approach for those seeking to implement data driven strategies without specialised expertise. The book is supported by comprehensive online resources including a testbank and PowerPoint slides.
