Today's HR for a Sustainable Tomorrow R.K. Mishra, Shulgana Sarkar, Punam Singh, 2012-03-20 We are now going through a sustainability revolution that will rival the agricultural and industrial revolutions in the way it will transform society Innovation and creativity will be needed to develop radical new products that are less damaging to the environment and generate new business and job The book is of interest to all business and management students academicians researchers practitioners consultants corporate managers governments non governmental organizations and international organizations with special interest in issues relating to HRM for sustainability The book is centered on the theme of HRM and sustainability The authors have pulled different strings of HRM enabling sustainability from the designing and assembling the HR functions for sustainability to creating sustainable culture to best

practices in HRM for sustainability The authors have shared various perspectives in terms of the role of HRM for sustainability from culture building to employer branding to employee engagement The authors have also reflected upon the role of HRM in managing future workforce and creating conducive and sustainable employee relations *Artificial Intelligence Techniques in Human Resource Management* Soumi Ghosh, Soumi Majumder, Santosh Kumar Das, 2023-08-18 This new volume presents a range of techniques that aim to enhance the operation of human resource management by applying state of the art artificial intelligence technology With illustrative case studies the volume uses examples from several real life problems and includes their possible solutions using advanced AI technology The book explores the confluence of smart computing and traditional businesses to foster productivity profitability and prosperity and goes on to apply AI techniques in the recruitment process with enterprise resource planning management software for manpower optimization systems in colleges for creating uniformity in HRM across organizations for creating conflicting strategy management techniques and more One pandemic related chapter discusses the use of radio frequency based technology for monitoring social distancing HUMAN RESOURCE MANAGEMENT IN PRACTICE KANDULA, SRINIVAS R., 2003-01-01

This compact easy to read book aims at presenting the basic principles practices and advancements made in human resource management It shows the enduring values of those principles as well as the significance of the models techniques and tools evolved which may rightly be called classics as these have been propounded by HRM proponents time tested and proved permanent The book covers three major subjects of management Human Resource Management HRM Human Resource Development HRD Organizational Behaviour OB and Organizational Development OD under 18 different themes What distinguishes the text is that it uses 300 models techniques and tools that are well established practised and proven in the field of HRM The practical implications of these techniques are also discussed enabling the reader to comprehend the concepts with ease The book which is a unique blend of theory and practice would be useful to postgraduate students of management all those specializing in human resource management and the professionals **People Management**, 2000

Human Resource Management in a Business Context Alan Price, 2007 Many students study HRM but will not necessarily specialize in personnel The book takes a business approach to all core areas of HRM as well as discussing contemporary issues such as managing diversity and new styles of employee relations This edition has been updated and expanded throughout **How to Manage Human Resource in Organizations** Allan Miller, 2007-07 Miller pens this work to provide leaders managers and prospective managers with a guide for maximizing their potential resources Social Issues

Human Resource Development Juani Swart, Clare Mann, Steve Brown, Alan Price, 2012-08-21 Each chapter in Human Resource Development provides the reader with commentary activities and review sections in an integrated approach The action oriented approach is vital for practicing managers but increasingly for postgraduate and final year undergraduates who have work experience It is this aspect of the book that fills a gap that currently exists in the market This text reflects

organizational realities and balances and integrates the coverage of individuals teams and organizational learning The book is written in a straightforward manner and explains concepts and key issues in a lucid style The activities are focused and are better suited to encouraging readers to learn *Southern Economist* ,2005 *Employee Relations International* ,1997
