When writing the introduction to the assignment, the teacher is making a choice to be a language specialist interested in addressing certain types of issues associated with the use of English among these two groups and that the teacher understands the importance of having students understand that it is their responsibility to address these and other issues.

The teacher's role in writing the introduction is to provide a context for the use of English. This could include providing information about the teacher's interest in the language, the use of English, and the use of English in the classroom. The teacher could also provide information about the teacher's interest in the language, the use of English, and the use of English in the classroom.
