You Can't Lead With Your Feet On the Desk Ed Fuller, 2011-03-01 Personal relationships are the real bedrock of long term success in any business and any industry But in today's global economy forging bonds across cultural divides requires a heightened level of sensitivity In You Can't Lead with Your Feet on the Desk the leader of Marriott International Lodging Ed Fuller delivers real world advice on how to connect with manage and do business with people in any culture including employees suppliers and customers who often have roots in other cultures Fuller who grew Marriott's international business from sixteen hotels in six countries to 400 properties in seventy countries explains how to navigate cultural nuances and language differences unfamiliar geography and

frustrating bureaucracy Building trust shared values and commitment to a business partnership is harder in cross cultural situations but it can and must be done if you want to be successful in today s world No matter the country or community relationships are the currency of every culture Fuller explains how to build these relationships how to discover the other person s interests and needs and why you have to get your feet off the desk cross the cultural borders and go meet them in the context in which they re most comfortable Fuller prepares you for this journey with guiding principles for avoiding missteps and for creating lasting connections crucial to every business leader Build relationships through mutual respect Earn trust quickly by delivering during a crisis Understand how verbal and nonverbal cues can make or break a deal Lead from the front and be willing to give yourself the tough jobs Learn the local customs and history in order to create positive relationships Your skills at forming and maintaining close ties with associates and partners give you the competitive advantage So ditch the desk and learn how to overcome differences in today s multicultural business environment This is a must read Every American needs to know how to work with others in this multicultural society The diversity of the American business community has expanded over the past decades As a leader you need to know how to manage and interact in our multi cultural business environment Ed Fuller has given you the guideposts the pitfalls have been identified and the opportunities are yours This is an essential read for all leaders and one that I highly recommend JAMES STAMAS Founding Dean School of Hospitality Administration Boston University *Exploring Management* John R. Schermerhorn, Jr,2009-12-30 Exploring Management Second Edition by John Schermerhorn presents a new and exciting approach in teaching and learning the principles of management This text is organized within a unique learning system tailored to students reading and study styles It offers a clean engaging and innovative approach that motivates students and helps them understand and master management principles *Successful E-mail Marketing Strategies* Arthur Middleton Hughes,Arthur Sweetser,2009 When it first came on the scene in the early to mid 1990s e mail marketing was the hottest most productive marketing tool on the map Then things changed Too many marketers sent millions of e mails hunting instead of building relationships with their subscribers farming The authors share their wisdom about how to make e mail an effective tool for finding new customers and mining existing customers more profitably *E-commerce* Kenneth C. Laudon,Carol Guercio Traver,2009 For the undergraduate and graduate e commerce course in any business discipline This comprehensive market leading text emphasizes the three major driving forces behind e commerce to provide a coherent conceptual framework for understanding the field technology change business development and social issues **Extreme Trust** Don Peppers,Martha Rogers,2016-06-21 Not so long ago being reasonably trustworthy was good enough But soon only the extremely trustworthy will thrive In the age of smartphones and social networks every action an organization takes can be exposed and critiqued in real time Nothing is local or secret anymore If you treat one customer unfairly produce one shoddy product or try to gouge one price the whole world may find out in hours if not minutes The users of Twitter Yelp and similar outlets show little mercy

for bad behavior The bar for trustworthiness is higher than ever and continues to rise Bestselling authors Don Peppers and Martha Rogers Ph D argue that the only sane response to these rising levels of transparency is to protect the interests of customers proactively even if that requires spending extra money in the short run to preserve your brand reputation in the long run The payoff of generating extreme trust will be worth it With a wealth of fascinating research as well as practical applications this book will show you how to earn and keep the extreme trust of everyone your company interacts with
