**Leading Successful PMOs** Mr Peter Taylor, 2012-09-28 Many organizations profit hugely by utilizing a Project Management Office (PMO). It means they achieve benefits from standardizing and following project management policies, processes, and methods. However, building an effective PMO is a complex process. It requires clear vision and strong leadership so that over time it will become the source for guidance, documentation, and metrics related to the practices involved in managing and implementing projects.
