### *Profit Motive* Charles Sauer, 2018-03-13

Most businesses are driven to maximize profit but what does this drive really mean in action In *Profit Motive What Drives the Things We Do* economist Charles Sauer makes the case that identifying your own and others Profit Motives provides the foundation for running a successful business being an effective leader a good consumer and getting what you really want out of life In this highly praised new treatise on economic behavior Sauer examines how businesses make decisions in pricing and employment and how the search for long term profit can mean adopting practices that may seem contrary to fundamental capitalist principles But the *Profit Motive* analysis goes well beyond the realm of finance and corporate decision making to explain how

gaining a profit or a benefit is the motivating force behind an endless array of choices made by everyone from large organizations to individuals and their families and everything in between

**Media, and Culture** Pauline Hope Cheong,2012 This anthology the first of its kind in eight years collects some of the best and most current research and reflection on the complex interactions between religion and computer mediated communication CMC The contributions cohere around the central question how will core religious understandings of identity community and authority shape and be re shaped by the communicative possibilities of Web 2 0 The authors gathered here address these questions in three distinct ways through contemporary empirical research on how diverse traditions across the globe seek to take up the technologies and affordances of contemporary CMC through investigations that place these

contemporary developments in larger historical and theological contexts and through careful reflection on the theoretical dimensions of research on religion and CMC In their introductory and concluding essays the editors uncover and articulate the larger intersections and patterns suggested by individual chapters including trajectories for future research
