**Mobile Library Services** Charles Harmon,Michael Messina,2013-02-13

Just as Andrew Carnegie's support changed the landscape of public libraries in America, Apple's launch of the iPhone on June 29, 2007, forever altered how people expected to interact with services. Libraries like every other kind of organization must now make their services not just their catalogs available on an array of mobile devices. Mobile Library Services provides 11 proven ways to reach out to mobile users and increase your library's relevance to their day-to-day lives. Librarians detail how they created mobile apps to how they went mobile on a shoestring budget. Written by public, academic, and special librarians, these 11 best practices offer models for libraries of every type and size. *How Cool Brands Stay Hot* Joeri Van Den Bergh, Mattias Behrer, 2013-03-03. How Cool Brands Stay Hot reveals what drives Generation Y, the most marketing savvy and advertising critical generation, and how you can develop the right brand strategies to reach this group, which at three times the size of Generation X, has a big impact on society and business. Packed with qualitative and quantitative research plus creative ideas on how to position, develop, and promote brands to the new consumer generation, it explains the five crucial steps or dimensions on how to stay a cool youngster brand. The first edition of *How Cool Brands Stay Hot* won the prestigious 2012 Berry AMA Book Prize for the best book in marketing and Expert Marketer's Marketing Book of the Year 2011. This fully updated second edition incorporates additional years of extensive research and includes new case studies and 18 interviews with global brand and marketing executives of successful brands such as Converse, Heineken, Diesel, Coca-Cola, MasterCard, eBay, and the BBC. *Handbook of Applied Behavior Analysis* Johnny L. Matson, 2023-04-29. This book provides comprehensive coverage of applied behavioral analysis (ABA). It examines the history and training methods of ABA as well as related ethical and legal issues. The book discusses various aspects of reinforcement, including social reinforcers, tangible reinforcers, automatic reinforcement, thinning reinforcers, and behavioral momentum. It addresses basic training strategies such as prompts and fades, stimulus fading, and stimulus pairing, and provides insights into auditory, visual, discrimination, instructional feedback, generalization, error correction, procedures, and response interruption. In addition, the book addresses the use of ABA in education and explores compliance training, on-task behavior, teaching play, and social skills, listening, and academic skills, technology, remembering, and cognitions, picture-based instruction, foreign language instruction, teaching verbal behavior, public speaking, and vocational skills. In addition, the book covers treatments for tics, trichotillomania, stereotypies, self-injurious behavior, aggression, and toe walking. It also addresses ABA for special populations, including individuals with autism, ADHD, substance abuse, and intellectual disabilities. Featured areas of coverage include: Basic assessment methods such as observing behavior, treatment integrity, social validation, evaluating physical activity, measuring sleep disturbances, preference assessment, and establishing criteria for skill mastery. Functional assessment including how to quantify outcomes and evaluate results, behaviors that precede and are linked to target behaviors, and treatments. Treatment methods such as token economies, discrete trial instruction, protective equipment, group-based, and parent training, as well as staff training and self-control procedures. Health issues including dental and self-care, life skills, mealtime, and feeding.
