The Media Economy Alan B. Albarran, 2023-11-30 This fully updated third edition analyzes the media industries and their activities from macro to micro levels using concepts and theories to demonstrate the role the media plays in the economy as a whole This textbook breaks new ground through its analysis of the rapidly changing and evolving media economy from two unique perspectives First the book explores how media industries function across global national household and individual levels of society Second it assesses how key forces such as technology globalization regulation and consumer aspects are constantly evolving and influencing media industries This new edition incorporates thoroughly updated theory and research as well as expanded case studies that include examples from international markets such as Asia Europe and Latin America It builds on the contributions of the previous edition by providing new references and current data to define and analyze today's media markets and offers a more expansive assessment of streaming business models as well as the effects of Covid 19 on the media economy Written in an accessible style and presenting a holistic global perspective of the role of media in the global economy the textbook provides crucial insights for students and practitioners of media economics media management and media industries

Maximum PC, 1999-02 Maximum PC is the magazine that every computer fanatic PC gamer or content creator must read Each and every issue is packed with punishing product reviews insightful and innovative how-to stories and the illuminating technical articles that enthusiasts crave

*Media Libraries in an Age of Unending Consumption* Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre-home video era to become central to today's corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger
