Notes on Islam Ahmed Hussain,2016-06-06 The following Notes were enclosed by the author in his weekly letters to his brother and sons who were students in the Universities of Cambridge Edinburgh and Birmingham I persuaded him to allow me to have them printed as I thought they were suggestive and useful He has however desired me to say that they should not be regarded as anything but concise memoranda jotted down at short intervals between the busy hours of his official life as general answers to questions put to him They contain some passages which are too concise or abstract if not vague or enigmatic But the author says he left them designedly so in order to induce his readers to try to understand them or at least to seek explanation and illustration Numerous foot notes have been added for the same purpose
