

ACT TEST FORMAT

| SECTION | TIME LIMIT | # OF QUESTIONS | SUMMARY |
|---------|------------|----------------|---|
| English | 45 minutes | 75 questions | Covers punctuation, grammar, usage, and sentence structure. Also tests your rhetorical skills in strategy, organization, and style. |
| Math | 60 minutes | 60 questions | Covers basic mathematical skills that are typical for a student at the end of 11 grade. You will be tests on pre-algebra, elementary algebra, intermediate algebra, coordinate geometry, plane geometry and trigonometry. |
| Reading | 35 minutes | 40 questions | Evaluates your reading comprehension. You will be given four passages and use your referring and reasoning skills to identify main ideas, locate important details, understand sequences of events and make comparisons. |
| Science | 35 minutes | 40 questions | Measures your skills in natural sciences. You will be evaluated on interpretation, analysis, evaluation, reasoning, and problem solving. |

Act Practice Review

Brian Stewart

Act Practice Review:

ACT Exam Practice Questions Mometrix College Admissions Test Team, 2015-02-25 ACT Exam Practice Questions are the simplest way to prepare for the ACT test Practice is an essential part of preparing for a test and improving a test taker's chance of success The best way to practice taking a test is by going through lots of practice test questions If someone has never taken a practice test then they are unprepared for the types of questions and answer choices that they will encounter on the official test There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day If you do well on the practice test then you know you're prepared If you struggle on the practice test then you know you may still have more work to do to get prepared Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day Our ACT Exam Practice Questions give you the opportunity to test your knowledge on a set of questions You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses Detailed answer explanations are also included for each question It may sound obvious but you have to know which questions you missed and more importantly why you missed them to be able to avoid making the same mistakes again when you take the real test That's why our ACT Exam Practice Questions include answer keys with detailed answer explanations These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand
