Choc Chip Hooray!

Level 2 Reading Comprehension

Choc Chip Hooray!

Have you tried the new chocolate chip and fudge ice cream? It's so tasty, it's like eating the sky in the new cup! The new flavour is from the best ingredients in the world.

There is a lot to think about when it comes to your favourite food. Think about the ingredients used to make your favourite food and how they are made. Think about the people who make the food and how they work. Think about the way the food is sold and how it is transported. Think about the way the food is stored and how it is kept fresh. Think about the way the food is eaten and how it is enjoyed. Think about the way the food is disposed of and how it is recycled.

For every good thing we eat, we have to think about the people who made it. We should think about the people who grow the food, the people who transport it, and the people who sell it. We should think about the people who work in the shops and the people who work in the factories. We should think about the people who work in the fields and the people who work in the mines. We should think about the people who work in the schools and the people who work in the hospitals. We should think about the people who work in the homes and the people who work in the offices. We should think about the people who work in the streets and the people who work in the parks. We should think about the people who work in the forests and the people who work in the mountains. We should think about the people who work in the oceans and the people who work in the sky. We should think about the people who work in the earth and the people who work in the air. We should think about the people who work in the water and the people who work in the fire. We should think about the people who work in the sun and the people who work in the moon. We should think about the people who work in the stars and the people who work in the planets. We should think about the people who work in the galaxies and the people who work in the universe. We should think about the people who work in the world and the people who work in the peace.
