**Den of Liars** Jessica S. Olson, 2025-07-01 A young thief attempts a daring casino heist during a high stakes magical tournament and finds herself torn between two warring brothers At the Liar s Den secrets are power Lola St James is the world s best kept secret When her father s loss in the magical Liar s Dice Tournament a high stakes competition where players are forced to gamble with their deepest secrets made her a target she was rescued by the Thief the notorious leader of the Tentacles Now living under the pseudonym Astra she is determined to prove herself and become a full fledged Tentacle But when a critical heist goes sideways the only way forward is for Lola to compete in the Liar s Dice Tournament herself Lola is confident in her ability to pull off the job but the Thief s mysterious and powerful brother the Liar runs the game and he turns out to be more than she bargained for As her attraction for him grows and illusions run wild she will be forced to confront the secrets of her past the truth of the brothers history and the lies she tells herself *Spider and Silk* May Sage, Fae aren t even supposed to exist so why is Lena suddenly the slave of a unbearably gorgeous cold and unyielding creature who can t possibly be human Betrayed and tossed aside she has a choice between risking her fortune with the rest of the humans picked to become the king s servant or let this thing who wants her on her knees take her Well better the devil you sort of know When his father demanded they march south to claim their title of five hundred humans Dryan believed the old man had finally lost his mind Why would they need to go to war for mere mortal slaves when they re easily plucked from unsuspecting villages But now he has a princess sleeping on his rug with his dogs and he can admit he sees the appeal But claiming a mortal comes with many dangers To her and to his sanity **Time Quest 2: Harbinger of Destiny** Tina
