**The New Masculine Renaissance** Conrad Riker, Are you tired of being told what you should think and how you should behave as a man in today s society Do you feel that something has been lost in the world s attempt to redefine masculinity Are you seeking a path back to the true essence of what it means to be a man The New Masculine Renaissance is a rallying cry for those who yearn for a restoration of masculine virtues in a world that often seems to have lost its way It addresses the confusion and frustration many men feel in the face of prevailing ideologies and offers clear practical guidance for developing a personal code of honor and strength in the face of these challenges This book

- 1 Explores the concept of individuation as introduced by Carl Jung offering a means of understanding and navigating the complexities of the modern world
- 2 Emphasizes the importance of embracing and balancing opposites in one s life a key aspect of Jung s philosophy
- 3 Provides an exploration of the development of personal character and moral code focusing on masculine virtues
- 4 Highlights the importance of understanding and navigating the subtleties of one s inner world
- 5 Examines the effects of extreme ideologies on society and the individual
- 6 Looks into the psychology behind groupthink and its influence on individual decision making and societal progress
- 7 Discusses the intellectual journey of becoming red pill'd and embracing rationality and logic in one s outlook
- 8 Envisions a future where the masculine virtues are respected and appreciated once again leading to a potential renaissance of masculine values

If you are ready to take control of your own narrative and join the new

masculine renaissance then this book is for you It s time to rediscover what it truly means to be a man in an ideologically possessed world Buy your copy today      **Venmo an Easy Guide for Beginners** Scott Casterson,2016-03-09 With cash becoming a thing of the past many companies are trying to appease such a new age phenomenon These apps allow you to enjoy a night out with dinner and a show with friends without having a dime in your pocket Venmo is one such app It is a digital wallet that gives users the opportunity to send money from your bank account for free to either pay bills or repay a friend by sending money back to their Venmo account It came about in March 2009 as a system through which funds could be paid through text messages and is said to be safe for users but has since been refined and is now very popular among the social class
