Rosen, 2015-02-23 *A Philosophical Approach to Perceptions of Academic Writing Practices in Higher Education* Amanda French, 2022-05-12 This book takes a philosophical approach to the question what is academic writing and specifically explores the question of how academic writing and writing development can be better understood and developed by lecturers in higher education It examines how a number of interconnected and interdisciplinary political linguistic discursive ontological and epistemological frameworks can be used to inform a post qualitative approach for research into higher education academic writing practices employing a Bourdusian Deluzean inspired approach Using lecturers own perceptions and experiences of academic writing and treating them as part of a professional academic writing in higher education habitus the book illustrates and analyses a number of ideas and concepts through a broadly post qualitative paradigm It also offers a number of innovative academic writing and writing development practices Offering an in depth discussion into how lecturers might better negotiate academic writing practices and use their own academic writing experiences to develop students writing this book will be highly relevant to academics scholars and post graduate students working in higher education

Clarity and Coherence in Academic Writing David Nunan, Julie Choi, 2023-03-14 This book presents a lively rich and concise introduction to the key concepts and tools for developing clarity and coherence in academic writing Well known authors and linguists David Nunan and Julie Choi argue that becoming an accomplished writer is a career long endeavor They describe and provide examples of the linguistic procedures that writers can draw on to enhance clarity and coherence for the reader Although the focus is on academic writing these procedures are relevant for all writing This

resource makes complex concepts accessible to the emergent writer and illustrates how these concepts can be applied to their own writing. The authors share examples from a wide range of academic and non-academic sources from their own work and from the writing of their students. In-text projects and tasks invite you, the reader, to experiment with principles and ideas in developing your identity and voice as a writer.

Academic Writing Stephen Bailey, 2003. This work takes a refreshing approach to the academic writing course providing easily understandable language set within a clear structure.

[An Insider's Guide to Academic Writing](#) Susan Miller-Cochran, Roy Stamper, Stacey Cochran, 2018-09-12. Valued for its clear accessible presentation of disciplinary writing, the first edition of *An Insider's Guide to Academic Writing* was celebrated by adopters at two-year and four-year schools alike. With this second edition, the authors build on that proven pedagogy offering a series of flexible transferable frameworks and unique Insider's video interviews with scholars and peers that helps students to adapt to the academic writing tasks of different disciplinary discourse communities and helps instructors to teach them. New to the second edition is additional foundational support on the writing process, critical reading, and reflection to give students stronger tools to apply to their disciplinary writing. *An Insider's Guide to Academic Writing* is based on the best practices of a first-year composition program that has trained hundreds of teachers who have instructed thousands of students. Use ISBN 978-1-319-05355-0 to get access to the online videos for free with the brief text and ISBN 978-1-319-05354-3 for the version with readings.
