Netflix This Week:

The Rise of Over-the-Top (OTT) Media and Implications for Media Consumption and Production Kalorth, Nithin, 2024-01-24 The rapid increase in popularity of major streaming services is having a massive impact on more traditional media outlets Over the Top OTT Media is the term given to these types of services which bypass the traditional media sources through an internet connection How will OTT media force traditional forms of media to adjust and adapt in order to remain relevant The Rise of Over the Top OTT Media and Implications for Media Consumption and Production is a timely edited volume that delves into the transformative emergence of Over the Top OTT media which is reshaping the landscape of media consumption and production The book traces the historical roots of OTT media establishing a contextual understanding of its rapid rise and impact on the industry Analyzing the complex web of business models and revenue streams in the OTT industry the publication sheds light on the competitive dynamics the entry of new players and the subsequent effects on traditional media companies It offers a fresh perspective recognizing OTT media as a distinct and transformative medium different from conventional film and television studies Navigating the myriad aspects of OTT media the book examines market trends and dynamics showcasing the intricate technological infrastructure of OTT services encompassing platforms devices and delivery methods Engaging with contemporary issues the book investigates the intersections of OTT media with news entertainment advertising marketing and the global south fostering a holistic understanding of its far reaching impact As an essential reference for scholars researchers and media professionals this book not only helps unravel the complexities of this rapidly evolving medium but also equips its readers with valuable insights to navigate the dynamic digital media landscape

Language Learning and Leisure Denyze Toffoli, Geoffrey Sockett, Meryl Kusyk, 2023-07-04 The study of informal involvement with additional languages has recently emerged as a dynamic research field in SLA With the rapid development and spread of internet based technologies contact with foreign languages outside the classroom has become commonplace While this can take multiple forms online contents are a major driving force because they present learners with unprecedented opportunities for exposure to and use of target languages regardless of their physical location Research from diverse geographical educational and socio economic contexts bring a rich variety of perspectives to this book It explores these phenomena via a range of theoretical frameworks and methodological approaches focusing particularly on individual differences and language development The volume proposes that teachers in formal learning settings should seek to support and facilitate the development of these identities and practices and it indicates means they can adopt to best do so [FCC Record](#) United States. Federal Communications Commission, 2016

Multilingual Fiction Series Nahuel Ribke, 2023-12-01 This book explores the emergence and development of multilingual fiction series a relatively new phenomenon propelled by the globalization of media industries and the consolidation of streaming platforms as central vectors in the production and consumption of audiovisual entertainment

content Through a detailed analysis of thriller sitcom and drama series the book proposes an original qualitative and quantitative research methodology for the study of on screen multilingual encounters examining the relationship between multilingual speech and genre conventions The book covers fiction series beyond English speaking countries alongside American productions the analysis covers TV shows from Europe Latin America and the Middle East region This interdisciplinary and original volume will interest scholars and students in film studies and media studies working on global media as well as communication studies television studies sociolinguistics media and cultural industries and translation studies

Business Week, 2007 *Understanding the Korean Wave* Dal Yong Jin, 2023-07-31 A comprehensive and critical introduction to understanding the Korean Wave Hallyu as a transnational media phenomenon This book provides an accessible introduction to the Korean Wave the rapid growth of local cultural industries and the global popularity of Korean popular culture over the past 30 years providing historical political economic and socio cultural context to its initial rise and enduring popularity Jin explores the transnational cultural flows of Hallyu across a variety of products and digital technologies from television dramas film and K pop to online games and webtoons and explains the process of cross media convergence and the socio political contexts behind the Hallyu phenomenon He also explores how overseas fans and audiences advance K pop fandom as social agents in different geo cultural contexts The book concludes by discussing if Hallyu can become a sustainable global popular culture beyond a fan based regional cultural phenomenon Each chapter features detailed contemporary case studies and discussion questions to enhance student engagement This is essential reading for students of Media and Communication Cultural Studies Korean Studies and Asian Studies particularly those taking classes on popular culture and media media and globalization Korean popular culture and East Asian culture

Korea's Platform Empire Seongcheol Kim, Dal Yong Jin, 2024-06-07 Korea's Platform Empire explores the evolution of digital platforms in South Korea's media sphere and their global political economic cultural and technological influence With a focus on Korea in the context of the global platform revolution the book takes a methodical look at the broader social implications and the impact on cultural production The authors explore various facets of the media and cultural industries looking beyond social media to news broadcasting and the music industry and look at the policy and regulations behind this shifting technological advancement This book will appeal to students and scholars working on media industries digital media platform studies information and technology studies Korean and East Asian media studies and the creative and cultural industries
