

# SLEEP HACKS FOR BETTER HEALTH

## ROUTINE

Choose a regular time of the day/night when you go to bed and wake up each day.

## KEEP YOUR ROOM COOL

Colder rooms help you fall asleep faster and maintain a deeper sleep.

## KEEP YOUR ROOM DARK

Sleeping in a dark room reduces the stimulation of light telling your body to be active.

## REDUCE SCREEN TIME

Turn off electronic devices 30-60min before bed to reduce the stimulation of blue light.

## EXERCISE

Try exercising in the morning. Elevated body temps and heart rate can make it harder to fall asleep.

## CAFFEINE INTAKE

Caffeine has a half-life of about 5-6 hours so keep this in mind as bedtime nears.

**The Enchanted Boot** Nancy L. Canepa, 2022-11-29 A representative selection of tales from the Italian fairy tale tradition translated into English This comprehensive collection of Italian tales in English encourages a revisitation of the fairy tale canon in light of some of the most fascinating material that has often been excluded from it In the United States we tend to associate fairy tales with children and are most familiar with the tales of the Brothers Grimm Hans Christian Anderson and Disney But the first literary fairy tales appeared in Renaissance Italy and long before the Grimms there was already a rich and sophisticated tradition that included hundreds of tales including many of those today considered classic The authors featured in this volume have over the centuries explored and interrogated the intersections between elite and popular cultures and oral and literary narratives just as they have investigated the ways in which fairy tales have been and continue to be rewritten as expressions of both collective identities and individual sensibilities The fairy tale in its Italian incarnations provides a striking example of how this genre is a potent vehicle for expressing cultural aspirations and anxieties as well as for imagining different ways of narrating shared futures
