monsters stalk a cursed realm and a forgotten princess finds the strength to tear off her crown and become the warrior she was never meant to be The gods sent monsters to the five kingdoms to remind mortals they must kneel I've spent my life kneeling to their will and to my father's As a princess my only duty is to wear the crown and obey the king I was never meant to rule Never meant to fight And I was never supposed to be the daughter who sealed an ancient treaty with her own blood But that changed the fateful day I stepped into my father's throne room The day a legendary monster hunter sailed to our shores The day a prince ruined my life Now I'm crossing treacherous lands beside a warrior who despises me as much as I despise him bound to a future I didn't choose and a husband I barely know Everyone wants me to be something I'm not a queen a spy a sacrifice But what if I refused the role chosen for me What if I made my own rules What if there's power in being underestimated And what if for the first time I reached for it The Shield of Sparrows series is best enjoyed in order Reading Order Book 1 Shield of Sparrows Book 2 Rites of the Starling **The Lacemaker's Fortune** Andrea
