new or relatively new Mac comes loaded with powerful digital lifestyle applications collectively known as iLife Problem is
Apple provides little if any documentation Sure these iApps are easy to use but each of them also has tons of undocumented
features and shortcuts We ll visually explain each app s basic features then go beyond the basics to show hidden features and
time saving shortcuts In addition each section that focuses on the creative iApps will include off the wall and entertaining yet
useful projects that ll show readers how to have fun with the easy but powerful software that came with their Macs Finally
we ll take a look inside the Utilities folder to explore all its geeky goodness and teach the reader which of these apps can help
them and which are better left alone and which one is the gateway to a host of old school games that we bet you didn t even
