has to find him soon There is one man A mysterious silver eyed stranger who keeps appearing in her dreams Who is he and what does he want As the line of suitors grows Heaven s dreams become more vivid forcing her to go on a journey to find the man in her dreams Could he also be the man of her dreams Or would he turn out to be a nightmare *When Love Visits Comfort Omovre,2024-07-01* Uju at thirty one considers herself to be living her best life and why not She s the CEO and founder of an insanely successful events planning company a member of the most wonderful family ever and to top it all she belongs to a golden sisterhood made up of seven amazing young women who make her heart overflow There is only one thing missing romantic love Uju has never been in love has never experienced what the four letter word feels like and is more than content to never find out Or is she Tade thirty four the heir to a multi million dollar conglomerate and a multi millionaire in his own right is the perfect definition of a lover boy If anyone ever asks him his heart was made for one noble purpose to love Alas following a devastating breakup Tade swears off relationships taking time to heal Now three years have gone by he s back home from the U S for yet another Christmas with family and is more than ready to give love another chance When these two run into each other one dreamy night by a stroke of fate and magic Tade swears he s found the woman of his life But would the ghosts of his past grant him enough reprieve to pursue love again And would Uju be able to surrender to something she s never experienced before fears be damned

A Preliminary Study of the Emotion of Love Between the Sexes Sanford Bell,2012-08-17 The emotion of love between the sexes has as yet received no thorough scientific treatment No writer so far as I can find has treated it from a genetic standpoint The literature upon the subject is therefore meager In his recent treatise upon The Psychology of the Emotions Ribot 2 remarks The sex instinct the last in chronological order with man and the higher animals gives rise to the emotion of love with its numerous individual varieties Most psychologists have been very sparing of details where it is concerned and one might mention certain voluminous treatises which contain no mention of it Is this through exaggerated delicacy Or is it because the authors think that their place has been usurped by the novelists who have so obstinately confined themselves to the study of this passion
